Current Appropriations Clause in Bill

The bill includes an appropriation clause that provides \$11,900 General Fund to the Judicial Department. However, the clause appropriates the money to a line item that does not exist in the Judicial Department (see page 6, line 18 of the Senate Judiciary Committee Report).

Points to Consider

General Fund Impact

The Joint Budget Committee has proposed a budget package for FY 2023-24 based on the March 2023 Office of State Planning and Budgeting (OSPB) revenue forecast. The budget package includes two set-asides for legislation outside of the package: (1) \$30.0 million General Fund for bills that create ongoing obligations; and (2) \$469.0 million for bills that create one-time obligations for FY 2023-24 (see table below).

General Fund Appropriation Placeholders for Other 2023 Legislation		
Description	FY 2023-24	
Legislation with Ongoing Fiscal Impacts	\$30,000,000	
Legislation with One-time Fiscal Impacts		
Workforce-related legislation, including free credentials, math scholarships, adult education, and concurrent enrollment	103,000,000	
Housing-related legislation, including property tax relief, land use, and public-private partnerships	221,000,000	
Legislation related to topics other than workforce and housing, including rural opportunity, line of duty loss, and Proposition 122 implementation	145,000,000	
Subtotal	\$469,000,000	
TOTAL Placeholders for Other 2023 Legislation	\$499,000,000	

The budget package accounts for the 15.0 percent reserve associated with the above placeholders (a total of \$74.9 million).

This bill creates a one-time obligation and requires a General Fund appropriation of \$11,900 for FY 2023-24, reducing the \$469.0 million set aside by that amount.
