Current Appropriations Clause in Bill

The bill includes an appropriation clause that appropriates a total of \$2,000,000 in FY 2023-24, including \$1,000,000 General Fund to the Urgent Incident Response Fund created in the bill, and \$1,000,000 reappropriated funds to the Department of Public Safety for the associated spending authority from the fund.

Points to Consider

General Fund Impact

The Joint Budget Committee has proposed a budget package for FY 2023-24 based on the March 2023 Office of State Planning and Budgeting (OSP) revenue forecast. The budget package includes two set-asides for legislation outside of the package: (1) \$30.0 million General Fund for bills that create ongoing obligations; and (2) \$469.0 million for bills that create one-time obligations for FY 2023-24 (see table below).

General Fund Appropriation Placeholders for Other 2023 Legislation	
Description	FY 2023-24
Legislation with Ongoing Fiscal Impacts	\$30,000,000
Legislation with One-time Fiscal Impacts	
Workforce-related legislation, including free credentials, math scholarships, adult education, and concurrent enrollment	103,000,000
Housing-related legislation, including property tax relief, land use, and public-private partnerships	221,000,000
Legislation related to topics other than workforce and housing, including rural opportunity, line of duty loss, and Proposition 122 implementation	145,000,000
Subtotal	\$469,000,000
TOTAL Placeholders for Other 2023 Legislation	\$499,000,000

The budget package accounts for the 15.0 percent reserve associated with the above placeholders (a total of \$74.9 million).

This bill creates a one-time obligation and requires a General Fund appropriation of \$1.0 million for FY 2023-24, reducing the \$469.0 million set aside by that amount.
