Current Appropriations Clause in Bill

The bill requires but does not contain an appropriation clause.

Description of Amendments in This Packet

J.001 Staff has prepared amendment **J.001** (attached) to add a provision appropriating a total of \$64,252 cash funds from the Division of Insurance Cash Fund to the Department of Regulatory Agencies for FY 2023-24. This provision also states that the appropriation is based on the assumption that the Department will require an additional 0.7 FTE.

Points to Consider*General Fund Impact*

Pursuant to Section 10-3-209 (4), C.R.S., taxes on insurance premiums are credited to the Division of Insurance Cash Fund (with a maximum transfer of five percent of premium tax collections) to cover appropriations made by the General Assembly. Any increase in appropriations reduces the amount of tax revenue deposited in the General Fund, thereby reducing the amount of General Fund available for other purposes.

The Joint Budget Committee has proposed a budget package for FY 2023-24 based on the March 2023 Office of State Planning and Budgeting (OSP) revenue forecast. The budget package includes two set-asides for legislation outside of the package: (1) \$30.0 million General Fund for bills that create ongoing obligations; and (2) \$469.0 million for bills that create one-time obligations for FY 2023-24. This bill is anticipated to reduce General Fund revenues by \$64,252, reducing the amount available for appropriation by the same amount.
