The bill requires but does not contain an appropriation clause.

Description of Amendments in This Packet

J.001 Staff has prepared amendment **J.001** (attached) to add a provision appropriating a total of \$5,000,000 to the Department of Public Safety for FY 2023-24, from the Colorado Auto Theft Prevention Cash Fund. These funds originate as a transfer of General Fund to the cash fund.

Points to Consider

General Fund Impact

The Joint Budget Committee (JBC) has proposed a budget package for FY 2023-24 based on the March 2023 Office of State Planning and Budgeting revenue forecast. The JBC has included as part of its FY 2023-24 budget package \$5.0 million General Fund to be appropriated for implementation of this bill. The bill includes a \$5.0 million General Fund transfer rather than an appropriation, and will reduce General Fund revenue by this amount.
