**Bill Summary**

*(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. **Colorado's Child Welfare System Interim Study Committee.**

The bill states that a court shall not delay permanency planning for a child or youth for purposes of maintaining financial support for a kinship foster care home, or a non-certified kinship foster care home, unless there are exceptional circumstances as approved by the court.

The bill allows the state department of human services (state

department) to promulgate rules to modify the requirements for kinship foster care homes, including training topics for kinship foster care certification.

Emergency financial assistance for a kinship foster care home is expanded to include goods needed for the child's basic care, including beds, clothing, and transportation costs, and limited rental or housing assistance not to exceed a 60-day subsidy.

The bill clarifies the definitions regarding foster care homes, kinship foster care homes (kinship home), and non-certified kinship foster care homes (non-certified kinship home). A kinship home is a home that has been certified by a county department of human or social services (county department) or a child placement agency to provide 24-hour care for relatives or kin only who are less than 21 years of age. A kinship home is eligible for financial assistance and supports. "Kinship foster care home" does not include a non-certified kinship home. A non-certified kinship home means a relative or kin who has a significant relationship with the child or youth and who has either chosen not to pursue the certification process or who has not met the certification requirements for a kinship home.

The bill formally establishes the process by which a kinship home may apply for certification from a county department or child placement agency. A county department or child placement agency, upon the completion of the required background checks, may issue a one-time provisional certificate for a period of 6 months to an applicant at a specific location who is requesting provisional certification, if requested by the applicant. If the applicant completes the required background checks, the county department or child placement agency shall make payment beginning with the date of placement. The county department or child placement agency shall complete the certification process within the timelines promulgated by rule of the state board. The applicant has the right to appeal any denial of certification. The state department, a county department, or a child placement agency has the right to revoke a kinship home's certification for cause.

Prior to issuing a certificate or subsequent certificate to an applicant to operate a kinship home, a county department or a child placement agency shall conduct a fingerprint-based criminal history record check (fingerprint check) through the Colorado bureau of investigation. The applicant shall pay, unless otherwise paid by a county department, the costs associated with the fingerprint check to the Colorado bureau of investigation.

The county department or child placement agency to which the kinship home applied for certification shall extend the provisional certification by an additional 60 days if the applicant can demonstrate that the applicant did not cause the delay in completing all the requirements for certification.

A kinship home may opt out of the provisional certification process and remain eligible for supports through sources other than foster care maintenance.

The bill stipulates that prior to transferring temporary legal custody of any child or youth to a relative or kin, the court shall make findings that the relative or kin was advised regarding the differences between kinship foster care and non-certified kinship care, including but not limited to financial assistance, custody requirements, and long-term financial support options.

Kinship foster care homes are eligible for financial reimbursement and supports at the same rate as foster care homes, as established in rules promulgated by the state board of human services. Non-certified kinship care homes are eligible for financial assistance and supports at 50% of the foster care rate, based on the age of the child or youth receiving care.

The state department shall collaborate with the department of education, the department of public health and environment, and the department of health care policy and financing to develop an interagency resource guide to assist kinship in the certification process. The state department shall prominently post the interagency resource guide on the state department's website.

The bill directs the state department and the judicial department to collect data on the number of children who are placed with certified and non-certified kin through a dependency and neglect case, regardless of whether the kin or county has custody of the child or youth. The state department shall make the data available on its website on or before January 30, 2025.

On or before October 1, 2024, the state department shall study and report to the general assembly the feasibility of using federal funds, including but not limited to federal IV-B, IV-E, or TANF funds, or other grant funding to provide or reimburse for the provision of brief legal services or legal representation of relative and kin caregivers.

The bill makes conforming amendments to align statutory sections related to foster care homes with kinship homes.

The bill takes effect September 1, 2024.

16 pursuant to ~~the provisions of~~ this part 9 shall not issue a certificate to  
17 operate, or a recertification to operate, a foster care home OR KINSHIP

19 applicant for the certificate, a person employed by the applicant, or a  
20 person who resides at the facility or home:

21 (9) Notwithstanding any other provision of this part 9, a person  
22 shall not operate a foster care home OR KINSHIP FOSTER CARE HOME that

4 subsection (9) by certifying the foster care home OR KINSHIP FOSTER CARE  
5 HOME, the county department or child placement agency shall refer the  
6 application to another county department or child placement agency.  
7 Unless otherwise prohibited, the county department or child placement  
8 agency to which the application is referred may certify and supervise a  
9 foster care home OR KINSHIP FOSTER CARE HOME operated by the person.  
10 The county department that referred the application may place a child in  
11 the county-certified foster care home OR KINSHIP FOSTER CARE HOME  
12 upon written agreement of the two county departments.

13 (10) Notwithstanding any other provision of this part 9, an owner,

16 owner, officer, executive, member, or employee, shall not hold a  
17 beneficial interest in property operated or intended to be operated as a  
18 foster care home OR KINSHIP FOSTER CARE HOME, when the property is  
19 certified by the child placement agency as a foster care home OR KINSHIP  
20 FOSTER CARE HOME.

21 (11) A county department or licensed child placement agency may  
22 issue a one-time provisional certificate for a period of six months to an  
23 applicant for an original certificate that permits the applicant to operate  
24 a foster care home OR KINSHIP FOSTER CARE HOME if the applicant is  
25 temporarily unable to conform to all of the standards required ~~under~~

1 requirements. The applicant has a right to appeal to the state department  
2 any standard that the applicant believes presents an undue hardship or has  
3 been applied too stringently by the county department or licensed child  
4 placement agency. Upon the filing of an appeal, the state department shall  
5 proceed in the manner prescribed for licensee appeals in section 26-6-909  
6 (4).

7 (12) A COUNTY DEPARTMENT OR CHILD PLACEMENT AGENCY  
8 SHALL ISSUE A ONE-TIME PROVISIONAL CERTIFICATE AT A LOCATION FOR  
9 A KINSHIP FOSTER CARE HOME FOR A PERIOD OF SIX MONTHS UPON THE  
10 APPLICANT'S REQUEST AND THE SUCCESSFUL COMPLETION OF A  
11 FINGERPRINT-BASED CRIMINAL HISTORY RECORD CHECK. THE ONE-TIME  
12 PROVISIONAL CERTIFICATE PERMITS THE APPLICANT TO OPERATE THE  
13 KINSHIP FOSTER CARE HOME IF THE APPLICANT IS TEMPORARILY UNABLE  
14 TO CONFORM TO ALL REQUIRED STANDARDS. THIS IS AN EXCEPTION TO  
15 SUBSECTION (11) OF THIS SECTION, WHICH ALLOWS THE USE OF  
16 PROVISIONAL CERTIFICATES. THE STATE DEPARTMENT SHALL  
17 PROMULGATE RULES FOR THE OPERATION OF THIS SUBSECTION (12).

18 (13) THE STATE BOARD SHALL PROMULGATE RULES TO MODIFY  
19 THE STANDARDS FOR KINSHIP FOSTER CARE HOMES TO REMOVE  
20 NON-SAFETY STANDARDS, IN ACCORDANCE WITH STATE OR FEDERAL LAW.

4 home OR KINSHIP FOSTER CARE HOME, as well as the suspension of any  
5 further placements in the foster care home OR KINSHIP FOSTER CARE HOME  
6 until the investigation is concluded;

7 **SECTION 14.** In Colorado Revised Statutes, 26-6-912, **amend**  
8 (1)(b), (1)(d)(I), and (4) as follows:

9 **26-6-912. Investigations and inspections - local authority -**  
10 **reports - rules.** (1) (b) An applicant for certification as a foster care  
11 home OR KINSHIP FOSTER CARE HOME shall provide the child placement  
12 agency or the county department from ~~whom~~ WHICH the certification is

14 departments to which the applicant has previously applied, and a release  
15 of information from the child placement agencies and county departments  
16 to which the applicant has previously applied, to obtain information about  
17 the application and any certification given by the child placement  
18 agencies and county departments. A child placement agency or county  
19 department from ~~whom~~ WHICH the certification is sought shall conduct a  
20 reference check of the applicant and any adult resident of the foster care  
21 home OR KINSHIP FOSTER CARE HOME by contacting all of the child  
22 placement agencies and county departments identified by the applicant  
23 before issuing the certification for that foster care home OR KINSHIP  
24 FOSTER CARE HOME. Child placement agencies and county departments  
25 are held harmless for information released, in good faith, to other child  
26 placement agencies or county departments.

27 (d) (I) When the state department, county department, or child

1 placement agency is able to certify that the applicant or licensee is  
2 competent and will operate adequate facilities to care for children  
3 pursuant to the requirements of this part 9 and that standards are being  
4 met and will be complied with, it shall issue the license for which the  
5 applicant or licensee applied. The state department shall inspect or cause  
6 to be inspected the facilities to be operated by an applicant for an original  
7 license before the license is granted and shall thereafter inspect or cause  
8 to be inspected the facilities of all licensees that, during the period of  
9 licensure, have been found to be the subject of complaints or to be out of  
10 compliance with the standards set forth in section 26-6-909 and the rules  
11 of the state department, or that otherwise appear to be placing children at  
12 risk. The state department may make such other inspections as it deems  
13 necessary to ensure that the requirements of this part 9 are being met and  
14 that the health, safety, and welfare of the children being placed are  
15 protected. If, as a result of an inspection of a certified foster care home OR  
16 KINSHIP FOSTER CARE HOME, the state department determines that a child  
17 residing in the foster care home OR KINSHIP FOSTER CARE HOME is subject  
18 to an immediate and direct threat to the child's safety and welfare, as  
19 defined by rules promulgated by the state board, or that a substantial  
20 violation of a fundamental standard of care warrants immediate action,  
21 the state department may require a county department to immediately  
22 remove the child from the foster care home OR KINSHIP FOSTER CARE  
23 HOME.

24 (4) Within available appropriations, the state department shall  
25 monitor, on at least a quarterly basis, the county department certification  
26 of foster care homes AND KINSHIP FOSTER CARE HOMES.

27 **SECTION 15.** In Colorado Revised Statutes, **amend** 26-6-913 as

1 follows:

2 **26-6-913. Revocation of certification of foster care home or**  
3 **kinship foster care home - emergency procedures - due process.**

4 Notwithstanding any other provision of law to the contrary, a county  
5 department may act immediately to revoke the certification of a  
6 county-certified foster care home OR KINSHIP FOSTER CARE HOME when  
7 the county department has reason to believe that a child residing in the  
8 foster care home OR KINSHIP FOSTER CARE HOME is subject to an  
9 immediate and direct threat to the child's safety and welfare or when a  
10 substantial violation of a fundamental standard of care warrants  
11 immediate action. If the county department acts pursuant to this section,  
12 a due process hearing shall be held within five days after the action and  
13 conducted as the hearing would normally be conducted pursuant to article  
14 4 of title 24.

21 agencies and the procedures relating to and governing foster care homes,  
22 KINSHIP FOSTER CARE HOMES, and agencies, including procedures for the  
23 review of backgrounds of employees and owners. In conducting the  
24 periodic review, the department shall consult with foster care providers,  
25 KINSHIP FOSTER CARE PROVIDERS, child placement agencies, county  
26 departments, the department of public health and environment, and other  
27 interested parties throughout the state. The periodic review must include

1 an examination of the rules applicable to foster care homes, KINSHIP  
2 FOSTER CARE HOMES, and child placement agencies; the process of  
3 licensing foster care homes and child placement agencies; THE  
4 CERTIFICATION PROCESS FOR FOSTER CARE HOMES AND KINSHIP FOSTER  
5 CARE HOMES; uniformity of standards or lack thereof in the licensing  
6 process; statewide standardization of investigations and enforcement of  
7 licensing by the department; duplication and conflicts in rules,  
8 requirements, or procedures between the department and the department  
9 of public health and environment; and recommendations for streamlining  
10 and unifying the licensing process. The review must also include an  
11 examination of rules and procedures regarding the general physical and  
12 mental health of foster care providers, KINSHIP FOSTER CARE PROVIDERS,  
13 employees, and owners. At the conclusion of each review, the department  
14 shall report its findings and conclusions and its recommendations for  
15 administrative changes and for legislation to the state board.

5 **SECTION 18. Effective date.** This act takes effect September 1,  
6 2024.

7 **SECTION 19. Safety clause.** The general assembly finds,  
8 determines, and declares that this act is necessary for the immediate  
9 preservation of the public peace, health, or safety or for appropriations for  
10 the support and maintenance of the departments of the state and state  
11 institutions.
