Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov>.)

The bill requires the state treasurer, on behalf of the state, to execute, no later than October 31, 2024, financed purchase of an asset or certificate of participation agreements (financing agreements) to finance capital costs related to the construction of facilities for 4 state institutions of higher education. The financing agreements are to be issued in the aggregate principal amount of \$246,936,092 plus reasonable and necessary administrative, monitoring, and closing costs and interest, including capitalized interest. The anticipated annual state-funded payments for the principal and interest components due under the financing agreements must not exceed \$17,500,000 with principal amortization not occurring before July 1, 2027.

The proceeds from the financing agreements will be used for the following 4 capital projects:

- Construction of facilities for the university of northern Colorado's college of osteopathic medicine;
- Construction of a health institute tower by metropolitan state university of Denver;
- Construction of a veterinary health education complex by Colorado state university; and
- Renovation of Trinidad state college's valley campus main building to move nursing and allied health programs into the building, address deferred maintenance issues, and create an assembly room that will serve both the college and the community and a one-stop student services center to support career and technical education and allied health

students.

The bill also provides for a general fund transfer of \$41,250,000 to the university of northern Colorado for deposit into an escrow account to be held in escrow in accordance with the requirements of the accrediting body of the college of osteopathic medicine.

If the money in escrow, including interest, is released to the university of northern Colorado upon graduation of the first cohort from the college of osteopathic medicine, then the university shall provide notice of the release of escrow to the joint budget committee of the general assembly, to the state treasurer, and to the office of state planning and budgeting. Additionally, for the state fiscal year in which the escrow money is released, the amount that is to be paid to the university pursuant to its fee-for-service contract for that state fiscal year is reduced by the lesser of an amount equal to the amount of the escrow money or an amount equal to the amount of a portion of the escrow money that reduces the amount to be paid pursuant to the fee-for-service agreement to zero. If the amount of the escrow money exceeds the amount due under such fee-for-service contract, then the amount the university of northern Colorado would otherwise receive from the college opportunity fund is reduced by an amount equal to the excess. If, after both reductions, there remains excess escrow money, then in the next state fiscal year the amount that is to be paid to the university of northern Colorado pursuant to its fee-for-service contract for that state fiscal year is reduced by an amount equal to the amount of the remaining escrow money. The university of northern Colorado must use the escrow money, or a portion of it, as applicable, for each applicable reduction as an offset for the reduction.

If the escrow money is released for failure of the college of osteopathic medicine to complete accreditation, then the university of northern Colorado shall provide a report of this to the joint budget committee of the general assembly, to the state treasurer, and to the office of state planning and budgeting. For the period that the escrow money is held in escrow, the amount of unrestricted general fund year-end balances that must be retained as a reserve is reduced by \$41,250,000.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 finds and declares that:

4 (a) The state is facing a physician shortage, and a rapidly growing
5 population and an aging physician workforce have created a current and

1 future demonstrated need for more physicians to serve Colorado
2 communities;

3 (b) The physician shortage is felt most acutely in rural and other
4 underserved communities;

5 (c) With an increasing disparity between the demand for and
6 supply of physicians, there is an urgent need for medical education
7 programs to begin work now to train providers;

8 (d) This is particularly critical because physician training can take
9 up to a decade, meaning a physician shortage in 2034 is a problem that
10 needs to be addressed today;

11 (e) To address this critical issue, the University of Northern
12 Colorado is establishing an osteopathic medical college and plans to
13 enroll 150 graduate-level medical students in a four-year medical degree
14 program every year;

15 (f) The osteopathic medical profession has a long tradition of
16 providing care where patients lack doctors; and

17 (g) Opening the College of Osteopathic Medicine requires capital
18 investment for construction of a building and a temporary cash reserve as
19 required by the University of Northern Colorado's accrediting body.

20 (2) The general assembly further finds and declares that:

21 (a) A statement for the Committee on Health, Education, Labor
22 and Pensions of the United States Senate made by the American Hospital
23 Association on February 16, 2023, stated that there is "a historic
24 workforce crisis complete with real-time short-term staffing shortages and
25 a daunting long-range picture of an unfulfilled talent pipeline in
26 healthcare". This is especially true in Colorado, where workforce
27 shortages are at an all-time high and the state is projected to need an

1 estimated 10,000 more nurses by 2026.

2 (b) Metropolitan State University of Denver is prepared to meet
3 this urgent demand by growing its allied health programs by 25%,
4 enrolling nearly 7,000 students by 2030 who will go on to deliver care in
5 critical areas, such as mental and behavioral health, nursing, social work,
6 and speech, language, and hearing sciences;

7 (c) As such, Metropolitan State University of Denver has
8 identified an opportunity to address the urgent labor market needs by
9 creating interdisciplinary learning spaces for aspiring health-care
10 professionals, allowing for growth of the university's programs that serve
11 this sector;

12 (d) To accomplish this, Metropolitan State University of Denver's
13 Health Institute will begin construction of a new facility, the Health
14 Institute Tower, that will grow the health-care workforce through
15 innovation, increased instructional and training capacity, and expansion
16 of programs in high-need health-care-related areas;

17 (e) In addition, the Health Institute Tower will advance and retain
18 Colorado's health-care workers through interdisciplinary training,
19 education, and industry partnerships, all while delivering health and
20 wellness services to surrounding communities; and

21 (f) The Health Institute Tower will enable average enrollment
22 growth of 25% across all 10 healthcare-focused academic departments at
23 the university, which disciplines are all experiencing greater demand and
24 will be positioned to grow enrollment due to additional square footage for
25 instruction and training and greater efficiencies provided by the Health
26 Institute Tower.

27 (3) The general assembly further finds and declares that:

1 (a) Colorado State University has led innovations in veterinary
2 education, animal care, biomedical discovery, and public health and now
3 must adapt its delivery of education and modernize its facilities through
4 a new veterinary health education complex;

5 (b) The veterinary health education complex will be a
6 one-of-a-kind complex with educational, clinical, and research capacity
7 serving society's evolving relationship with animals as companions,
8 livestock, and wildlife;

9 (c) Colorado State University's current veterinary education
10 facilities are outdated and not large enough to meet the increasing needs
11 of students and the state;

12 (d) The veterinary health education complex will address the
13 shortage of veterinarians and those who can care for animals with new
14 facilities for integrated education, clinical practice, and applicable
15 research in one location; will provide upgraded technology and facilities
16 to educate, retain, and graduate veterinarians; and will allow for best
17 practices in health education to be realized by employing experiential
18 learning strategies with state-of-the-art laboratories, simulation skill labs,
19 active learning classrooms, and clinical experiences; and

20 (e) The project will allow Colorado State University to increase
21 veterinary student enrollment by potentially 20%, with the incoming
22 first-year class helping to alleviate the severe workforce shortage in the
23 field of veterinary medicine.

24 (4) The general assembly further finds and declares that:

25 (a) Trinidad state college's valley campus has origins back to
26 1936, serves approximately 500 career and technical students annually,
27 and had its last major renovation to a portion of the campus' main

1 building over 23 years ago;

2 (b) The provision of allied health certificate and degree programs
3 is critical to serving the health-care needs of Alamosa, Colorado, and its
4 surrounding communities, which face shortages in critical health-care
5 personnel;

6 (c) The renovation of the campus' main building will add a
7 two-story addition to the building that will allow for critical allied health
8 programs including those for nursing, emergency medical technicians,
9 dental assisting, and medical assisting to move into the main building
10 from the program's current condition-challenged space and significantly
11 support student success initiatives and regional workforce needs;

12 (d) The campus services over 130 allied health students annually,
13 and the renovation project will expand capacity of the allied health
14 programs offered at the campus by as much as 50% in nursing, nursing
15 aide, emergency medical technician, medical assisting, and dental
16 assisting programs; and

17 (e) The renovation project will also address much needed deferred
18 maintenance issues of the campus' main building, will create an assembly
19 space to serve both the college and community, and will allow critical
20 student services, including services that assist students from
21 disadvantaged backgrounds, to move to a more student-accessible
22 location in the building, thereby providing better access to these services
23 for allied health program students and the student body as a whole.

24 (5) The general assembly further finds and declares that financing
25 the capital construction needs of the University of Northern Colorado's
26 College of Osteopathic Medicine, the Metropolitan State University of
27 Denver's Health Institute Tower, Colorado State University's veterinary

1 health and education complex, and Trinidad State College's valley
2 campus main building renovation will, in part, come from the state
3 through execution of one or more financed purchase of an asset or
4 certificate of participation agreements, which, while each project is
5 separate, may be executed in connection with each other.

6 **SECTION 2.** In Colorado Revised Statutes, **add** 24-36-124 as

20 **24-75-201.1. Restriction on state appropriations - legislative**
21 **declaration - definitions.** (1) (d) For each fiscal year, unrestricted
22 general fund year-end balances must be retained as a reserve in the

9 OF RESOURCES BY THE UNIVERSITY, THE PRINCIPAL OF WHICH IS NOT
10 RECOGNIZED AS REVENUE OR EXPENSE UNTIL RECOGNITION OF THE MONEY
11 WHEN IT IS RELEASED FROM ESCROW;

12 (e) IF THE MONEY, INCLUDING ANY EARNED INTEREST, IS RELEASED
13 FROM ESCROW UPON THE GRADUATION OF THE FIRST COHORT FROM THE
14 COLLEGE, THE UNIVERSITY INTENDS TO RETAIN THE MONEY AND THE
15 GENERAL ASSEMBLY INTENDS TO REDUCE ALL OR A PORTION OF THE TOTAL
16 STATE APPROPRIATION TO THE UNIVERSITY FOR THE FISCAL YEAR IN WHICH
17 THE MONEY IS RELEASED FROM ESCROW, AND FOR SUBSEQUENT FISCAL
18 YEARS AS NEEDED, BY AN EQUIVALENT AMOUNT; AND

19 (f) THE RETENTION BY THE UNIVERSITY OF NORTHERN COLORADO
20 OF THE MONEY RELEASED FROM ESCROW IS NOT INTENDED TO AFFECT OR
21 IN ANY WAY MODIFY OR OTHERWISE IMPACT THE HIGHER EDUCATION
22 FUNDING ALLOCATION MODEL ESTABLISHED IN ARTICLE 18 OF THIS TITLE
23 23.

24 (2) AS USED IN THIS SECTION, UNLESS THE CONTEXT OTHERWISE
25 REQUIRES:

26 (a) "COLLEGE" MEANS THE COLLEGE OF OSTEOPATHIC MEDICINE
27 OF THE UNIVERSITY.

1 (b) "ESCROW ACCOUNT" MEANS THE ACCOUNT ESTABLISHED AND
2 GOVERNED BY AN ESCROW AGREEMENT THAT IS ENTERED INTO BETWEEN
3 AN ESCROW AGENT, THE ACCREDITING BODY FOR THE COLLEGE, AND THE
4 UNIVERSITY TO RECEIVE AND HOLD THE ESCROW MONEY.

5 (c) "ESCROW MONEY" MEANS THE MONEY THAT IS DEPOSITED AND
6 HELD IN THE ESCROW ACCOUNT AND RELEASED TO THE UNIVERSITY UPON
7 EITHER THE FAILURE OF THE COLLEGE TO COMPLETE ACCREDITATION OR
8 THE GRADUATION OF THE FIRST COHORT FROM THE COLLEGE, INCLUDING
9 ANY EARNED INTEREST OR INVESTMENT INCOME.

11 ESCROW MONEY CASH FUND CREATED IN SUBSECTION (3)(a) OF THIS
12 SECTION.

13 (e) "UNIVERSITY" MEANS THE UNIVERSITY OF NORTHERN
14 COLORADO.

15 (3) (a) THE COLLEGE OF OSTEOPATHIC MEDICINE ESCROW MONEY
16 CASH FUND IS CREATED IN THE STATE TREASURY. THE FUND CONSISTS OF
17 MONEY TRANSFERRED TO THE FUND PURSUANT TO SUBSECTION (3)(b) OF
18 THIS SECTION.

19 (b) ON OR BEFORE JUNE 30, 2024, THE STATE TREASURER SHALL
20 TRANSFER FORTY-ONE MILLION TWO HUNDRED FIFTY THOUSAND DOLLARS
21 FROM THE GENERAL FUND TO THE FUND.

22 (c) MONEY IN THE FUND IS CONTINUOUSLY APPROPRIATED TO THE
23 UNIVERSITY FOR THE PURPOSE OF THE UNIVERSITY DEPOSITING THE MONEY
24 INTO THE ESCROW ACCOUNT TO SATISFY NECESSARY COSTS IN
25 ACCORDANCE WITH THE ACCREDITING BODY OF THE COLLEGE'S RULES AND
26 REGULATIONS FOR OPERATING RESERVE AND ESCROW RESERVE
27 REQUIREMENTS.

1 (d) THIS SUBSECTION (3) IS REPEALED, EFFECTIVE DECEMBER 31,
2 2025.

3 (4) IF THE ESCROW MONEY IS RELEASED TO THE UNIVERSITY DUE
4 TO FAILURE OF THE COLLEGE TO COMPLETE ACCREDITATION, THE
5 UNIVERSITY SHALL PROVIDE A REPORT TO THE JOINT BUDGET COMMITTEE
6 OF THE GENERAL ASSEMBLY, THE STATE TREASURER, AND THE OFFICE OF
7 STATE PLANNING AND BUDGETING WITHIN TEN DAYS OF THE RELEASE OF
8 THE ESCROW MONEY THAT SETS FORTH THE CIRCUMSTANCES FOR THE
9 RELEASE OF THE ESCROW MONEY AND INFORMATION CONCERNING THE USE
10 OF THE ESCROW MONEY BY THE UNIVERSITY AS REQUIRED BY THE
11 ACCREDITATION BODY TO PAY OPERATING AND TEACH OUT COSTS OF
12 STUDENTS OF THE COLLEGE.

13 (5) (a) WITHIN TEN DAYS OF RECEIPT OF NOTICE FROM THE
14 ACCREDITATION BODY THAT THE ESCROW MONEY WILL BE RELEASED TO

18 OF THE SAME TO THE JOINT BUDGET COMMITTEE OF THE GENERAL
19 ASSEMBLY, THE STATE TREASURER, AND THE OFFICE OF STATE PLANNING
20 AND BUDGETING.

21 (b) FOR THE STATE FISCAL YEAR IN WHICH THE ESCROW MONEY
22 WILL BE RELEASED TO THE UNIVERSITY FOR THE REASON SET FORTH IN
23 SUBSECTION (5)(a) OF THIS SECTION, THE AMOUNT TO BE PAID TO THE
24 UNIVERSITY PURSUANT TO THE FEE-FOR-SERVICE AGREEMENT
25 NEGOTIATED PURSUANT TO SECTION 23-18-303.5 FOR THAT STATE FISCAL
26 YEAR IS REDUCED BY THE LESSER OF THE AMOUNT OF THE ESCROW MONEY
27 OR THE AMOUNT OF A PORTION OF THE ESCROW MONEY THAT REDUCES THE

1 AMOUNT TO BE PAID PURSUANT TO THE FEE-FOR-SERVICE AGREEMENT TO
2 ZERO, AND THE UNIVERSITY SHALL USE THE ESCROW MONEY, OR A
3 PORTION OF IT, AS APPLICABLE, TO OFFSET THE REDUCTION.

4 (c) IF THERE IS ESCROW MONEY REMAINING AFTER THE OFFSET
