meeting the needs of governing bodies to pay for basic emergency service and provide emergency telephone service (911 surcharge), must not exceed \$0.50 per month per 911 access connection. The fee is collected in the same manner as the 911 surcharge. Revenue from the fee will fund expenses and costs related to the provision of 911 services, including:

- Cybersecurity support;
- GIS programs;

The bill also creates the 911 services enterprise cash fund, adds a requirement for the commission to include in its "state of 911" annual report the activity of the enterprise including its use of its revenue, and makes several technical updates to the statutes concerning the 911 surcharge and the commission's "state of 911" report.
