## **Summary of Legislation**

Each July 1 from 2025 to 2059, the bill requires the State Treasurer to transfer \$2.05 million from the General Fund to the Death and Disability Payment Cash Fund, and issue warrants in the same amount to the Fire and Police Pension Association (FPPA) for deposit into the FPPA's Statewide Death and Disability Trust Fund.

## **Background**

Death and disability benefits for FPPA members hired before January 1, 1997, were paid with state funding to the Statewide Death and Disability Trust Fund. State funding for this benefit discontinued in 1997 based on an actuarial assumption that benefits for members hired prior to 1997 were fully funded. As of January 1, 2022, an actuarial assessment determined the fund to have a shortfall of \$32.9 million. In response, [Senate Bill 22-036](#) made two payments of \$6.65 million—\$13.3 million total—to the fund, one in 2022 and one in 2023. According to the FPPA's actuary, the projected shortfall as of January 1, 2024, for the fund is \$25.625 million.

## **State Transfers**

The bill creates annual transfers between FY 2025-26 and FY 2059-60 from the General Fund to the Death and Disability Payment Cash Fund of \$2.05 million. All transfers are to occur on July 1.

## **State Expenditures**

From FY 2025-26 through FY 2059-60, the bill increases state expenditures from the Death and Disability Payment Cash Fund by \$2.05 million each year. These expenditures reflect warrants issued by the State Treasurer to the Statewide Death and Disability Trust Fund managed by the FPPA.

## **Statutory Public Entity**

The FPPA will receive \$2.05 million annually between 2024 and 2059, which is projected to fully fund the Statewide Death and Disability Trust Fund.

## **Effective Date**

The bill takes effect upon signature of the Governor, or upon becoming law without his signature.
