General Fund/TABOR Impact

Fiscal Impact of Bill as Amended to Date

The most recent Legislative Council Staff Revised Fiscal Note (attached) reflects the fiscal impact of the bill as of 02/27/24.

XXX	No Change: Attached LCS Fiscal Note accurately reflects the fiscal impact of the bill
	Update: Fiscal impact has changed due to <i>new information or technical issues</i>
	Update: Fiscal impact has changed due to <i>amendment adopted</i> after LCS Fiscal Note was prepared
	Non-Concurrence: JBC Staff and Legislative Council Staff disagree about the fiscal impact of the bill

Amendments in This Packet for Consideration by Appropriations Committee

Amendment	Description
J.001	Staff-prepared appropriation amendment

Current Appropriations Clause in Bill

The bill requires but does not contain an appropriation clause.

Description of Amendments in This Packet

J.001 Staff has prepared amendment **J.001** (attached) to add a provision appropriating a total of \$125,255 General Fund to the Department of Labor and Employment for FY 2024-25. This provision also states that the appropriation is based on the assumption that the Department will require an additional 1.2 FTE.

Points to Consider

General Fund Impact

The Joint Budget Committee has proposed a budget package for FY 2024-25 based on the March 2024 Office of State Planning and Budgeting (OSPB) revenue forecast. The budget package includes \$93.5 million in set-asides for legislation outside of the package (see table below). The budget package accounts for the 15.0 percent reserve associated with the placeholders (a total of \$14.0 million).

General Fund Appropriation Placeholders for Other 2024 Legislation	
Description	FY 2024-25
General Legislative Priorities	\$21,739,130
Legislation for Shared Housing Priorities	42,478,261
Legislation for Shared Workforce and Education Priorities	16,152,110
Legislation for Other Shared Priorities	10,519,130
Legislation for Distributions to Rural Hospitals	2,608,689
TOTAL Placeholders for Other 2024 Legislation	\$93,497,320

This bill requires a General Fund appropriation of \$125,255 for FY 2024-25, reducing the \$93.5 million set aside by the same amount.

TABOR/ Excess State Revenues Impact

The March 2024 Office of State Planning and Budgeting (OSPB) revenue forecast projects a TABOR surplus liability of \$1.3 billion for FY 2024-25 and \$1.8 billion for FY 2025-26 to be refunded to taxpayers out of the General Fund. Legislation that increases non-exempt revenue (such as cash funds) will increase the TABOR refund from the General Fund. The budget package includes a set aside of \$93.5 million General Fund for appropriations in FY 2024-25.

This bill is estimated to increase cash fund revenues by \$19,200 in FY 2024-25 and by \$38,400 in FY 2025-26, which will reduce the available General Fund in each fiscal year by equal amounts. This bill increases the TABOR refund made out of the General Fund by \$19,200 for FY 2024-25, reducing the \$93.5 million General Fund set aside for FY 2024-25 by the same amount.
