*TABOR/ Excess State Revenues Impact*

The March 2024 Office of State Planning and Budgeting (OSPB) revenue forecast projects a TABOR surplus liability of \$1.3 billion for FY 2024-25 and \$1.8 billion for FY 2025-26 to be refunded to taxpayers out of the General Fund. These sums must be refunded to taxpayers out of the General Fund. This bill is estimated to decrease General Fund revenues by \$3.2 million in FY 2024-25 and by \$6.5 million in FY 2025-26, which will result in a decrease in the TABOR surplus liability of equal amounts.
