appropriation with \$441,529 and an associated 6.0 FTE, consistent with the required appropriation identified in the Revised Fiscal Note.

### Points to Consider

#### *General Fund Impact*

The Joint Budget Committee has proposed a budget package for FY 2024-25 based on the March 2024 Office of State Planning and Budgeting (OSP) revenue forecast. The budget package includes \$63.1 million in set-asides for legislation outside of the package (see table below). The budget package accounts for the 15.0 percent reserve associated with the placeholders (a total of \$9.5 million).

General Fund Appropriation Placeholders for Other 2024 Legislation	
Description	FY 2024-25
General Legislative Priorities	\$21,739,130
Legislation for Shared Housing Priorities	12,043,478
Legislation for Shared Workforce and Education Priorities	16,152,110
Legislation for Other Shared Priorities	10,519,130
Legislation for Distributions to Rural Hospitals	2,608,689
<b>TOTAL Placeholders for Other 2024 Legislation</b>	<b>\$63,062,537</b>

This bill requires a General Fund appropriation of \$441,529 for FY 2024-25, reducing the \$63.1 million set aside by the same amount.

#### *TABOR/ Excess State Revenues Impact*

The March 2024 Office of State Planning and Budgeting (OSP) revenue forecast projects a TABOR surplus liability of \$1.3 billion for FY 2024-25 and \$1.8 billion for FY 2025-26 to be refunded to taxpayers out of the General Fund. Legislation that increases non-exempt revenue (such as cash funds) will increase the TABOR refund from the General Fund. The budget package includes a set aside of \$63.1 million General Fund for appropriations in FY 2024-25.

This bill is estimated to decrease cash fund revenues by \$159,220 in FY 2024-25 and by \$159,220 in FY 2025-26, which will increase the available General Fund in each fiscal year by equal amounts. This bill reduces the TABOR refund made out of the General Fund by \$159,220 for FY 2024-25, increasing the \$63.1 million General Fund set aside for FY 2024-25 by the same amount.

The net effect of the General Fund appropriation and the cash funds revenue decrease reduces the \$63.1 million set aside by \$282,309.
