Joint meetings with the Senate Business, Labor, and Technology Committee. The joint rules of the House and Senate require the House Committee on Business Affairs & Labor and the Senate Business, Labor, and Technology Committee to stay advised of the activities, functions, and budgets of the Department of Labor and Employment, the Department of Personnel and Administration, the Department of Regulatory Agencies, and the Governor's Office of Economic Development and International Trade. The House Business Affairs & Labor Committee meets jointly with the Senate Business, Labor, and Technology Committee to receive briefings from these departments and the Joint Budget Committee. In addition, the committees have jurisdiction to conduct general oversight of the economic development activities of state government and may, jointly or separately, review the activities of any agencies of state government engaged in economic development matters.

Testifying before the committee. Individuals who wish to testify before the committee are asked to sign-up prior to the start of the meeting on the designated sign-up sheets. There will be a separate sign-up sheet for each bill the committee is hearing at each meeting. Individuals are asked to sign in on the sheet pertaining to their bill of interest.

The chair of the committee, Representative Tracy Kraft-Tharp, is responsible for overseeing public testimony and will recognize those on the sign-up sheets in an order most conducive to the business before the committee. With rare exception, everyone signed up to testify will be called upon. Because the meetings are taped and broadcast over the internet, individuals who are testifying are asked to wait to be recognized by the chair prior to beginning their testimony. The appropriate manner of address to the committee chair is "Madam Chair." The appropriate manner of address to House committee members is "Representative."

Once witnesses have been recognized by the chair, they may begin their testimony by giving their name and the organization they represent, if any. Committees are subject to tight deadlines and busy schedules. As a courtesy to the legislative members as well as those in the audience waiting to testify, witnesses are asked to keep their testimony concise, relevant to the bill, and, to the extent possible, to not repeat testimony that may have already been provided to the committee. Witnesses may distribute copies of handouts and written testimony to the committee. Witnesses who wish to distribute materials to the committee are asked to bring **12** copies – one for each member of the committee, as well as a copy for the committee's official

record. Please hand any materials to the committee staff person, who will distribute the materials to the committee members.

Witnesses are asked to observe professional decorum during the committee meetings. Clapping, booing, or otherwise disruptive behavior is not permitted. In addition, witnesses are asked to avoid any personal attacks or other emotional outbursts. Finally, all individuals present in the committee room are asked to turn off all cell phones and electronic devices prior to the start of the meeting.
