FOOTNOTES -- The following statements are referenced to the numbered footnotes throughout section 2.

1 N Department of Higher Education, Colorado Commission on Higher Education and Higher Education Special Purpose Programs,
2 Administration; College Opportunity Fund Program Fee-for-service Contracts with State Institutions; Governing Boards; Local District

7 to prioritize retention of first generation, underrepresented minority, and low income students in FY 2023-24 and future years consistent
8 with the goals of Colorado's Higher Education Master Plan, including the development, enhancement, and expansion of programs to
9 recruit and retain such students as well as steps to reduce the cost of higher education through tuition rate freezes, reductions, and
10 need-based scholarships for Colorado resident students.

2 *undergraduate student with in-state classification will pay more tuition in FY 2023-24 than four percent over what a student would have*
3 *paid in FY 2022-23 for the same credit hours and course of study. These amounts are also calculated based on the assumption that each*
4 *governing board will increase tuition rates for graduate and nonresident students based on its assessment of market conditions. The*
5 *General Assembly intends to adjust the amounts in these line items through supplemental action during FY 2023-24 based on updated*
6 *enrollment estimates and tuition rate information.*
