**Mr. David A. Richeson [Major, USAF-Former] / R Concepts Incorporated—Veteran Owned, Colorado S Corporation  
\*\* Since Calendar Year 2005 \*\***

**749 East Boulder Street—Colorado Springs, Colorado—United States – DIRECTLY LOST DUE TO GROSS VETERAN CRIMINAL TORTS AND ABUSE—FRAUD**

- Personal residence and veteran business property wrongfully lost in November of 2014 due to unresolved|unprosecuted criminal legal torts/actions as detailed in the Record On Appeal before the United States 10<sup>th</sup> Circuit Court of Appeals, case # 20-1429.
- Complete details of criminal/civil torts—fraud contained in the 11 March 2020 VA Federal Torts Claim Act [FTCA] claim submission, Exhibit 10 and Exhibit 13.
- Email Mr. David A. Richeson [Major, USAF-Former] at [daricheson@gmail.com](mailto:daricheson@gmail.com) to get a copy of the Opening Legal Brief to the United States Court of Appeals For The 10<sup>th</sup> Circuit providing the complete rationale why this multi-year torts—fraud case should be fully corrected for the safety of the entire U.S. military veteran community and veteran business owner community.
  - United States Veteran Administration does nothing in response to VA IG complaint 2021-23470 listing years of egregious acts/actions from VA employees directly contributing to torts—fraud.
  - State of Colorado ignores criminal and civil torts--fraud towards Mr./Major Richeson as alerted to from calendar year 2013 to present via Legal Demand Letters, formal complaints-court action.
    - El Paso County Colorado allows only home and business address to be sold at public auction in November 2014 after fraudulent “protected person” decree is rendered on Mr./Major Richeson.
      - El Paso County Colorado court actions allow the criminal fraud to continue with a wrongful eviction to transpire in September 2018, continuing the torts and needless suffering of a highly decorated former USAF Major and small business owner of years. Victim of literal Colorado State sponsored criminal fraud and torts continues to reside in the Denver Rescue Mission Homeless Shelter daily as a direct result of criminal torts—fraud. Zero leadership or accountability shown to legally correct and financially redress the gross multi-year torts situation.

## **COLORADO STATE VETERAN—VETERAN BUSINESS OWNER ABUSE—FRAUD CASE FOR EXPOSURE & CORRECTIONS**

**Mr. David A. Richeson [Major, USAF-Former] / R Concepts Incorporated—Veteran Owned, Colorado S Corporation**  
**\*\* Since Calendar Year 2005 \*\***

*This is a story that needs to be told and fully corrected for multiple reasons. The ability to use a veterans military service to the nation in a fraudulent manner as a fundamental base to render them "incapacitated, incompetent and or an Adjunct of Mental Defect" in Colorado State is both dangerous and disgusting.* Colorado State did change court procedures in 2019 to ensure any adult [18+] who is being considered to be rendered in one of these categories is in the actual court proceeding itself, therefore providing appropriate Due Process to the individual. As my individual case highlights, a combination of poor policy at a Colorado State and Federal level can, and with great regret, has allowed for a great deal of needless suffering and loss. I ask for your personal support in the following ways:

### **AT THE FEDERAL LEVEL:**

- 1. Write the Senate or House Veteran Affairs Committee and insist the current VA federal codified regulation [CFR] 38.353, subsection E be changed to ensure the veteran has been informed of ANY ruling of "incapacitated, incompetent and or ruling of Adjunct of Mental Defect" from ANY source, State or Federal level.**
  - **Reference Opening Legal Brief For The U.S. 10<sup>th</sup> Circuit Court of Appeals Case # 20-1429**
- 2. Write the Senate or House Veteran Affairs Committee and insist the VA be fully accountable for ALL corrective legal actions as they relate to the VA Inspector General [IG] complaint #2021-23470.**
  - a. Contact Both U.S. Senators For Colorado State and have their office demand the VA be accountable.**
- 3. Write to the Senate or House Small Business Committee and insist that stronger veteran business owner fraud protection laws be established and require the VA Inspector General's office to assist in investigating reports of criminal fraud to any veteran's business concern regardless of the business entity being registered with the Veteran Administration's Center for Veteran Enterprise [CVE] office.**

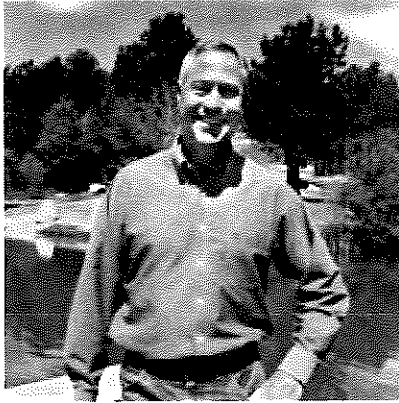

### **AT THE COLORADO STATE LEVEL:**

- 1. Write or call 303.866.2471 Governor Polis and demand the torts—fraud having transpired in El Paso County/Colorado State courtrooms as detailed in 24 November 2021 Legal Demand Letter to the AG Office be remedied. \* Can also obtain a copy of the actual Legal Demand Letter by emailing Mr./Major David A. Richeson**
- 2. Write your Colorado State General Assembly legislative member and demand that Colorado State provide more accountability and basic legal protections for any adult citizen, veteran or non-veteran who has been declared to be an adult "protected person" in ANY county across Colorado State itself.**

### **AT THE PERSONAL LEVEL FOR MR./MAJOR DAVID A. RICHESON:**

- 1. Please request more information about this basic and disgusting multi-year veteran—veteran business owner torts—fraud and general abuse situation to ensure both individual corrections and assist with demanding policy perfections at a Colorado State and Federal level.**
- 2. Utilize Mr./Major Richeson's business R Concepts Incorporated and the unique R Concepts Incorporated UCS Audit that would have made him and his company substantial money absent the criminal—civil torts and fraud.**
- 3. Refer the story to any individuals you might know in the general Press or media in the local, regional, or national geographic area, especially people who feature veteran—veteran business owner abuse situations.**
- 4. Refer the story to competent legal counsel you might know personally that have previous experience with Colorado State and or Federal level torts and associated personal injury legal cases.**
- 5. Make a cash contribution to assist with basic living needs, torts—fraud exposure and legal expenses to fight the previous and continuing personal torts—fraud to include the on-going and ignored criminal neglect observed by multiple public officials and entities without corrections or explanations for the multiple documented torts.**

## PROFILE

I Formed R Concepts Incorporated in April of 2005 after previously honorably serving as an officer in the United States Air Force, working in a variety of positions. Knowledge Score	HIGH [xx-xx]	OR	LOW [xx-xx]
Action Score	HIGH [xx-xx]	OR	LOW [xx-xx]
Definition Score	HIGH [xx-xx]	OR	LOW [xx-xx]

YOUR UNIQUE UCS AUDIT ASSESSMENT SCORE FOR EACH SECTION IS LISTED BELOW:

**KNOWLEDGE: XX**

**ACTION: XX**

**DEFINITION: XX**

### **POINTS TO REMEMBER & FOCUS AREAS**

You have a great deal of freedom over the choices you make when evaluating your overall sense of sustainable behaviors, actions, and attitudes.

**Knowledge:** Knowledge is a key component to understanding where you are in your pursuit of a more sustainable lifestyle. If you are unaware of current patterns of behavior, available resources, consumption trends and the associated cost—you need to first gain this fundamental knowledge. This is crucial to forming a baseline of information to guide future behavior and plans. Please see the R Concepts Incorporated UCS Audit assessment resources page now that you have completed the R Concepts Incorporated UCS Audit and learn how to save money and improve your overall knowledge.

**Action:** Actions serve as a real time gauge of behaviors. If your action score is low then evaluate the low-cost items that can be accomplished first and move forward from there. Not all actions are associated with a cost in the UCS Audit assessment, and several actions questions refer to merely making attempts at information collection to benefit the participants.

**Definition:** If you have a low-definition score, more thought should be given to your personal understanding of general themes touched on within the UCS Audit assessment. There are no “right” answers, but personal definitions are needed in order to guide future actions. The ability of a group to have the same shared definitions is important. This is especially important in a family setting as kids will look to adults for guidance and leadership. If you have a low group definition score it is recommended that the group—family reconnect to discuss the R Concepts Incorporated UCS Audit assessment and come to shared, common understandings.
