Jeany Rush Against themselves	TO: SENATE BUSINESS LABOR & TECHNOLOGY COMMITTEE RE: SB25-181 Sunset Just Transition Advisory Committee Sponsors: Roberts, F. Winter, Lieder, Lukens FROM: Jeany Rush, Colorado Springs Constituent 3-20-25 VOTE: NO "the bill continues the advisory committee indefinitely. " Department of Regulatory Agencies wanting to continue advisory committee indefinitely does not really explain much about why this is not allowed to sunset / end Sept. 1 2025. We need more advisory committees like we need a hole in the head. It's time to shut down the gravy trains! We as a state, cannot sustain anymore excess and waste. We have tons of captains, tons of administrators, and not enough of those doing the work. The state has got to get off of the Communist type legislation in this State. We See, We Hear, And We are Done with this!
