Dear Jesus:

Thank you for your letter of September 21 concerning financial assistance for nursing home patients.

You and your friends are to be commended for your efforts in visiting two hundred and sixty-four of these patients. If more people had this much concern for our older citizens, this would be a much better place. I have contacted Dick Heim, the Director of the New Mexico Department of Health and Social Services on this and he has assured me that those changes which will be made will be for the good of all patients. He also stated that nobody would be turned out into the cold as a result of his actions.

I appreciate your efforts in this area. Please be sure to thank, in my behalf, the other kind people who worked with you.

Sincerely,

Harold
