RE: Bill SB18-070

Dear Representatives Foote, Lontine, Benavidez, Hooton, Humphrey, Leonard, Melton, Weissman, and Williams:

As the co-pastor of a small church near Denver, CO who leases space for our church services and our community service programs, I would greatly urge you to support Bill SB18-070.

The dollars that are part of our lease which currently go toward property taxes could be re-directed into our community if this bill is passes. It would increase our ability to serve the poor, the hungry, and the grieving as well as the youth of our community.

Please add your support to this important measure.

Sincerely,

Ron Klopfenstein
Assistant Pastor
Timber Ridge Church
