Professional Strengths

- ◆ *Analytical, results driven professional with over 25 years of experience in correctional interventions, management, research, evaluation, publishing, training, and supervision*
- ◆ *Highly motivated leader, dedicated to empowering team members and fostering an atmosphere of engagement, teamwork, solidarity, and diversity*
- ◆ *Specialised masters and doctoral level training in correctional interventions, research, evaluation, statistics, and methodology*
- ◆ *Conducted and led research and evaluation on multiple subjects and presented to diverse audiences for over 25 years*
- ◆ *Established networks with scientific, academic, and government agencies and communities locally, nationally, and internationally*
- ◆ *Experience in planning, leading, and implementing large-scale projects, including at executive level*
- ◆ *Experience in financial and human resource management, including recruitment, supervision, staff relations, human resource planning, business planning, budgeting, and deficit reduction planning and implementation*
- ◆ *Excellent written and verbal communication skills*
- ◆ *Research, publications, presentations, and consultations covering diverse subjects in criminal justice field*
- ◆ *Extensive clinical, applied, and management experience in government*
- ◆ *Registered psychologist since 1998 (Saskatchewan; currently non-practicing)*
- ◆ *Bilingual (English and French)*

Highlights of Selected Skill Areas

Communication

- *Excellent verbal and written communication skills.*
- *Experience providing information and advice to senior management – Assistant Commissioners, Senior Deputy Commissioner, Commissioner, Public Safety Portfolio, Treasury Board (Centre for Excellence in Evaluation) – on diverse subjects, including strategic and policy direction, evaluation, research, planning, and program implementation.*
- *Extensive research and publication record covering diverse subjects, including fundamentals of sex offender assessment and treatment, aggression and violent behaviour, risk reduction for special needs offenders, program evaluation and research methodology (See Appendix I for complete list).*
- *Experience providing information and interviews to various national and international media.*
- *Established and maintained networks and partnerships with other departments, government and non-government agencies, and non-profit organizations – locally, nationally, and internationally.*
- *Experience providing direct intervention, including assessment and treatment, with multiple client groups, including youth, adults, high risk sexual offenders, and victims of crime, for over 15 years.*

Facilitation, Training, and Program Development

- *Developed and facilitated numerous seminars and training programs and sessions on diverse subjects, including violence, sexual offending, substance abuse, risk assessment, and treatment, locally, nationally, and internationally, for approximately 20 years (see Appendix III for professional client list).*
- *Prepared and delivered multiple public, conference, and professional presentations to a wide variety of audiences (see Appendix II for complete list).*
- *Developed intervention programs for various offender groups, including accredited programs for sexual offenders, violent offenders, and programs for youth and adults with substance use addiction.*
- *Established and maintained network groups and committees and led multidisciplinary teams among several organizational units and agencies – private, public, and professional sectors – providing support advice, leadership, and expert advice.*

Corporate and Financial Management

- *Developed, managed, and implemented three (3) Deficit Reduction Action Plans (DRAP), including personnel reduction and work force adjustment of 43% (and associated budget)*
- *Managed and assisted in managing budgets totalling up to approximately \$45 million.*
- *Managed and monitored national and regional Strategic Reinvestment funding totalling approximately \$8 million.*
- *Led evaluation capacity for a large operational department.*
- *Developed, managed, and implemented accountability and performance measures for multi-year operational and evaluation planning; liaison with Central Agencies.*
- *Developed, reviewed, and assisted in development of strategic and business plans for multiple projects and corporate priorities.*
- *Managed and provided support and oversight for numerous projects employing diverse professional, management, and other employees.*

Human Resource Planning and Management

- *Developed, managed, and implemented Deficit Reduction Action Plan (DRAP), including personnel reduction and work force adjustment of 43%*
- *Human resource planning for various moderate sized divisions and branches, as well as provision of national oversight of regional integrated human and business resource planning.*
- *Experience working with union stakeholders*
- *Managed national competitive processes.*
- *Team player with excellent human resource management skills.*
- *Successfully managed and provided functional guidance to numerous multidisciplinary staff groups within multiple organisational units.*
- *Well-versed in various aspects of recruiting, employment, and work force adjustment regulations, with excellent track record of achieving results.*
- *Provided direct supervision of staff in multiple organisational units of up to 50 employees, including professional staff.*
- *Successfully developed, planned, managed, and implemented numerous employee and student staffing actions, including enhancing government recruitment priorities.*
- *Managed several university recruitment programs for staffing of students, including 5 campuses, hiring approximately 20 students; developed Memoranda of Understanding (MOUs) between federal government and universities.*
- *Designed training, development, and career advancement programs and activities for professional and other staff.*
- *Supervised students for academic and practical training (See Appendix IV).*

Education

Ph.D., Psychology – Carleton University, Canada - 1996
M.A., Psychology (with Distinction) – Carleton University, Canada - 1990
B.A., Psychology (Honours) – Saint Mary's University, – 1987
B.A. (2 years) – Dalhousie University – 1983 - 1985

Government of Canada Language Profile

French: Comprehension – E; Writing – E; Oral Expression – C (October 2010)

Awards

Nova Scotia Legislature Member Statement for Volunteer Community Contribution –
To be conferred March 2017
Fellowship Award –
Association for the Treatment of Sexual Abusers
Significant Achievement Award –
Criminal Justice Section, Canadian Psychological Association
Commissioner's Award for Professional Excellence – Correctional Service Canada
Various Teamwork Awards – Correctional Service Canada
Dean's List for Distinguished Academic Achievement – Saint Mary's University
Various Scholarships – Saint Mary's University, Carleton University
