

UNITED
 FOR
SCFD

I believe the SCFD is essential to our regional vibrancy by providing access for millions of people well as smaller local venues and events, creating the diversity we see today across our metro area. I believe that SCFD fuels our economy by generating more than \$1.8 billion to our regional economy annually for just one penny on each \$10 spent. That's why I stand with the SCFD Board and its plan to renew and strengthen this important program that has kept arts and culture in the seven-county metro area healthy for 27 years.
