**APPENDIX**

C.R.S. Section	Section in bill	Reason
12-37.3-105(5)(c)	—	This change clarifies and preserves the legislative intent for the section. The intent of the original section of C.R.S. was to enforce the protection of the professional titles listed in section 110 of the same article. The Sunset bill enacted in 2017 altered the protected titles for naturopathic doctors listed in section 110, but corresponding alterations were not made to the list in this section. With this change the protected titles presently in the article can be enforced.
