Jeany Rush Against themselves	<p>TO: HOUSE JUDICIARY COMMITTEE</p> <p>RE: HB25-1322 ENFORCE INSURER COMPLIANCE REQUESTS INSURANCE POLICY</p> <p>SPONSORS: CARTER, ESPENOZA, EXUM, ROBERTS</p> <p>FROM: JEANY RUSH, COLORADO SPRINGS CONSTITUENT</p> <p>VOTE: NO</p> <p>When you purchase an insurance policy for a home, you are provided with a copy of your policy. If you lose it, you call your agent and they provide you a copy etc.</p> <p>What is it with this current assembly and its fetish' with compliance and penalty fees? Did you all step off of a plane from China, or some other Marxist country? This is not the roll of this legislature. You make so many insane, over-reaching and wasteful bills, my brain is getting vertigo from keeping up with this GAME.</p> <p>You all know exactly what you are doing, and you are doing the bidding of your puppet masters, lobbyists, Bloomberg AI Bots generated junk.</p> <p>Further, you have not only made a mockery of Colorado, you have made a Gulag' of this state, and in my opinion, you have committed crimes against our nation, our constitution, and our state citizens.</p> <p>And, since I was zooming in yesterday on another bill, and as an immigrant myself, I was subjected to a truly racist diatribe which I was personally insulted to have to endure by people who are paid by tax payer dollars, and are supposed to work for us. You all cannot even understand the current President's executive orders. By the way, your forced he/she/they pronouns are not legal at this time! You spend more time letting out criminals to prey on people, allowing fentanyl in our streets, mutilate our kids, land usurp our commerce, small businesses, and now, a WAR on insurance.</p> <p>It is obvious, you have an agenda, and it is obvious where this is going. Truth always seeks light!</p> <p>Not your job, but I believe you know all of this. Remember this, we don't need more enterprises, no more tyrannical edicts.</p> <p>"When a long train of abuses and usurpations....."</p>
