Mark Kaiser For themselves	In speaking with law enforcement, it seems that people that don't carry their drivers license or other ID usually are trying to hide their true identity, outstanding warrants, or other unlawful activities. Therefore, I support this bill and would like to see the penalties for offenders even more severe.  Thank you!!!
Thomas Raynes For Colorado District Attorneys Council	CDAC supports the bill as it provides a more efficient manner for obtaining driver identification when a driver refuse to comply.
