

HB1121_L.004

HOUSE COMMITTEE OF REFERENCE AMENDMENT

Committee on Energy & Environment.

HB26-1121 be amended as follows:

1 Amend printed bill, page 2, strike lines 18 through 21 and substitute:

2 "(e) Pending a stay of the case, the United States environmental
3 protection agency granted Colorado's petition to reconsider the agency's
4 disapproval of Colorado's state implementation plan;

5 (f) Colorado has since submitted a new state implementation plan
6 and plan revisions addressing the deficiencies that the United States
7 environmental protection agency identified in its disapproval, and the
8 agency has since initiated a new rule-making proceeding regarding
9 Colorado's new state implementation plan;

10 (g) As of February 2026, the United States environmental
11 protection agency is continuing to review comments and has yet to issue
12 a final rule approving or conditionally approving Colorado's new state
13 implementation plan, and the state's regulatory landscape regarding air
14 pollution emissions remains unclear;"

15 Reletter succeeding paragraphs accordingly.
