Daniel Hackett Against themselves	Hi. I'll make this clear, I OPPOSE to this bill. We all have the Right of Self-determination. This is simply overreach and risks the safety of agents. OPPOSE this bill allows the Liberty of Conscience. Freedom is dangerous in a good way. OPPOSE this radicalized bill. I will not honor this usurpation. Viewpoint discrimination is not to be normalized even though Phil Weiser does and loses cases. OPPOSE this bill by killing it.
