HB26-1088 – Letter of Support

Dear Members of the Committee,

As Chair of the Governmental Affairs Council of the Colorado Springs Chamber of Commerce & EDC, I write in support of HB26-1088 as an important measure to strengthen Colorado's economic foundation. This bill supports policies that improve workforce and business conditions while addressing barriers that can limit employer growth. By focusing on practical improvements, HB26-1088 helps create a more resilient and competitive economic environment.

We encourage your favorable consideration of HB26-1088 to support employers and workers across Colorado.

Sincerely,

SherryLynn Boyles
