Jeany Rush Against themselves	TO: STATE, CIVIC, MILITARY, & VETERANS AFFAIRS COMMITTEE  RE: HB25-1091 Designation of State Mushroom  Sponsors: Phillips, Mullica  FROM: Jeany Rush, Colorado Springs Concerned Constituent 2-3-25  VOTE: NO"  " The inclusion of a symbol from the kingdom of fungi will help promote and celebrate the importance of fungi and mushrooms in Colorado."  This is from your bill text. Billions of dollars are being wasted daily in all of our states, while millions of our veterans are even homeless, medically not properly cared for, jobs lost, homes lost, lives lost, and this is what you want to pass?  Please stop wasting our tax dollars, our hours upon hours trying to monitor hundreds of frivolous bills to malign the real process of government!  Just because a mushroom is cool, does not mean we need to spend money, time, etc. to make a monument of it at this trying time in our Economy and in our Lives. Maybe it is a bit of a gateway for the fact that some people actually want to allow mushrooms, etc. to be legal to use, which will further destroy our youths' minds.  Enough already!
