AN ACT

CONCERNING CREATING A GRANT PROGRAM TO FUND PROJECTS THAT REDUCE CRIME AMONG YOUTH, AND, IN CONNECTION THEREWITH, MAKING AN APPROPRIATION.

Be it enacted by the General Assembly of the State of Colorado:

SECTION 1. Legislative declaration. (1) The general assembly finds and declares that:

- (a) The health, safety, and success of Colorado's youth population is a top priority;
- (b) Research demonstrates that it is best to offer up-front services and treatment to prevent youth from entering or further penetrating the juvenile justice system. Research demonstrates that early intervention results in better outcomes for youth.
- (c) The cost to incarcerate an adjudicated youth in Colorado is approximately \$131,000 annually;
- (d) Communities of color and underserved communities are disproportionately referred to the justice system;
- (e) Research has demonstrated that communities and the state can save as much as eight dollars for every dollar spent on supporting community-based, multi-agency delinquency prevention programs;
 - (f) Connecting young people at risk of entering the juvenile justice system to

resources can help reduce the likelihood that they become involved with the juvenile or criminal justice system;

- (g) Ensuring that young people involved with the juvenile justice system have access to resources and supports can help prevent them from falling deeper into the system or from becoming involved in the criminal justice system as adults; and
- (h) There are a number of successful efforts across Colorado that provide a multidisciplinary approach to youth delinquency prevention that can be replicated or expanded.
- (2) Therefore, the general assembly determines that a strategy to enhance delinquency prevention efforts and provide early intervention responses to those who have entered or are at risk of entering the juvenile justice system is necessary to prevent youth delinquency, reduce the impact on victims of youth crimes, and ensure that all young people in Colorado have an equal opportunity to prosper.

SECTION 2. In Colorado Revised Statutes, add 24-33.5-526 as follows:
