

FELONIES AND MISDEMEANORS BY CRIME TYPE

This section lists all class 1 through class 6 felonies, level 1 through 4 drug felonies, class 1 through class 3 misdemeanors, level 1 and level 2 drug misdemeanors, and class 1 and class 2 misdemeanor traffic offenses by category of crime. The categories correspond to the headings of the 43 titles comprising the Colorado Revised Statutes. This section does not include petty offenses, traffic infractions, or unclassified felonies, misdemeanors, or misdemeanor traffic offenses.

This listing allows the review of all of the various offense levels of a specific crime. Each numbered item is a new offense. Each un-numbered item that follows is a different offense level of the same crime. For instance, all of the felony and misdemeanor sexual assault offenses are listed beginning on page 366. Item number 163 lists the class 2 felony, class 3 felony, class 4 felony and class 1 misdemeanor crimes of sexual assault. Also listed under the heading of sexual assault are the felony and misdemeanor crimes of unlawful sexual contact, sexual assault on a child, sexual assault on a child by one in a position of trust, Internet sexual exploitation of a child, sexual assault on a client by a psychotherapist, invasion of privacy for sexual gratification, and failure to register as a sex offender.

There are some instances in which all crimes of a certain type are not listed together because they are located in different places in the statutes. For example, the crimes of assault against at-risk adults and at-risk juveniles are listed on page 389 in a separate section of the statutes dealing with wrongs to at-risk adults and at-risk juveniles. The detailed table of contents on page v lists the categories of specific crimes.

All listings are current through the 2013 regular session laws.
