FOOTNOTES -- The following statements are referenced to the numbered footnotes throughout section 2.

109 Department of Public Safety, Executive Director's Office, Administration, Health, Life, and Dental -- The General Fund appropriation includes a decrease of \$2,064,868 that is equal to 5.0 percent of the General Fund portion of estimated base salary for the Department. The reduction in this General Fund appropriation is in lieu of a 5.0 percent personal services base reduction and provides the Department with increased flexibility to absorb the reduction and

engage in more considered targeted reductions across all department divisions and programs. This reduction is not intended to reduce the Health, Life, and Dental benefit provided to state employees. It is the General Assembly's intent that Health, Life, and Dental costs for employees, as approved in budget actions, be fully paid within personal services appropriations augmented by Department allocations from central benefits appropriations.

109a Department of Public Safety, Division of Fire Prevention and Control, Aviation Resources -- This appropriation remains available for expenditure until the close of the 2021-22 state fiscal year.

110 Department of Public Safety, Division of Criminal Justice, Community Corrections, Community Corrections Placements -- This appropriation assumes the daily rates and average daily caseloads listed in the following table and is based on the following assumptions: the base rate for standard nonresidential services is a weighted average of the rates for four different levels of service; community corrections providers will collect client fees of up to \$17 per day for residential placements and up to \$3 per day for nonresidential placements; client fees may be partially or fully waived in specialized residential and non-residential programs with the approval of the Division of Criminal Justice; pursuant to its authority to administer and execute contracts under Section 17-27-108, C.R.S., the Division of Criminal Justice will ensure that every reasonable effort is made to achieve such collections; and outpatient therapeutic community programs: (1) will receive the standard non-residential base rate for all offenders in their programs, including Department of Corrections clients; (2) will receive the outpatient therapeutic community base rate for all clients in program phases other than the post graduate phase, including Department of Corrections clients; (3) will not receive the outpatient therapeutic community base rate or the non-residential base rate for probation clients; (4) will collect client fees of up to \$3 per day; and (5) will not receive payment from the Department of Corrections for services covered by the standard non-residential base rate or the outpatient therapeutic community base rate. Of this appropriation, \$1,545,409 is from the savings produced by H.B. 10-1360 pursuant to Section 17-2-103 (11.5), C.R.S., for parolee Intensive Residential Treatment beds and for parolee sex offender beds and 48 Intensive Residential Treatment beds are from savings produced by S.B. 15-124.

- 111 Department of Public Safety, Division of Criminal Justice, Community Corrections, Correctional Treatment Cash Fund Residential Placements -- This appropriation includes funding for 48 condition-of-probation placements at rates corresponding to those in footnote 110.
- 112 Department of Public Safety, Division of Criminal Justice, Community Corrections, Community Corrections Facility Payments -- The amount of the appropriation assumes that the Department will make lower facility payments to programs that have lower costs due to case management staffing shortfalls or security and case management salary shortfalls relative to the staffing and salary model upon which the appropriation is based. Because per diem rates are unchanged for FY 2020-21, these appropriations further assume that salary and staffing levels deemed adequate for FY 2019-20 will be deemed adequate for FY 2020-21 and that community corrections facilities with an average of 32 or more security FTE will receive a second facility payment.
