Section 2 of the bill makes all writings made, maintained, or kept by a community-centered board (CCB) that receives more than 75% of its funding on an annual basis from the federal, the state, or a local government or from any combination of such governmental entities subject to public inspection as a "public record" under "Colorado Open Records Act".

Section 3 of the bill requires the state auditor, at least once every 5 years or more frequently at the state auditor's discretion, to conduct or cause to be conducted a performance audit of each CCB that receives more than 75% of its funding on an annual basis from federal, state, or local government, or from any combination of such governmental entities, to determine whether such CCB is effectively and efficiently fulfilling its statutory obligations. A CCB becomes subject to the audit requirement when the CCB initially satisfies the 75% funding requirement for any one year regardless of whether or not the funding level decreases below 75% in any subsequent year. Section 3 of the bill further requires the state auditor to submit a written report and recommendations on each audit conducted and to present the report and recommendations to the legislative audit committee. The cost of any performance audit undertaken is imposed on the CCB.

Section 2 of the bill also makes each CCB subject to the requirements of the "Colorado Local Government Audit Law".

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 finds, determines, and declares that:

4 (a) By means of the safeguards specified in part 2 of article 10 of
5 title 25.5, Colorado Revised Statutes, and other provisions of law, the
6 state of Colorado has assumed the duty of providing persons with
7 intellectual and developmental disabilities, among the most vulnerable
8 populations in the state, with improved and lengthened life expectancy.

9 (b) The state of Colorado acknowledges that it takes significant
10 public resources to meet the needs of persons with intellectual and
11 developmental disabilities so as to live full, meaningful lives participating

1 actively in the community.

2 (c) The state demands that the community-centered boards
3 empowered under part 2 of article 10 of title 25.5, Colorado Revised
4 Statutes, be prudent and efficient stewards of the public moneys entrusted
5 to them by requiring transparency with respect to the manner in which
6 these moneys are spent.

7 (d) Such transparency will give the public confidence that funding
8 the community-centered boards is a wise and prudent use of the state's
9 resources, thereby justifying the transfer of additional public resources to
10 these organizations as needed to support persons with intellectual and
11 developmental disabilities.

12 (2) By enacting Senate Bill 16-038, enacted in 2016, the general
13 assembly intends that the community-centered boards largely supported
14 by public resources be subject to transparency in connection with their
15 use of public resources to the greatest extent possible. The ability of the
16 state auditor to undertake performance audits of certain
17 community-centered boards, and subjecting all community-centered
18 boards to the "Colorado Local Government Audit Law", will have the
19 effect of promoting public transparency in connection with the use by
20 these entities of significant public resources. The general assembly further
21 intends that Senate Bill 16-038, enacted in 2016, be construed as liberally
22 as possible to promote the policy objectives specified in this section.
