2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 hereby finds and declares that:

4 (a) Employee and independent contractor classification in the
5 unemployment insurance program is an important issue for Colorado
6 employers and workers;

7 (b) Establishing a culture of compliance and education with regard
8 to worker classification should be a priority for the Colorado department
9 of labor and employment (CDLE);

10 (c) It is more cost effective for the CDLE and in the best interest
11 of Colorado business for the CDLE to enhance employer education and
12 outreach with regard to worker classification and continue to improve its
13 audit processes with compliance in mind;

14 (d) The CDLE can achieve a more robust culture of compliance
15 by better integrating compliance into its evaluation metrics, including
16 developing, tracking, and improving the percentage of "clean

1 compliance" during random audits, and by making education and
2 compliance assistance a component of auditor development and core job
3 duties; and

4 (e) The CDLE can also achieve greater compliance by enhancing
5 employer knowledge through measures that include augmenting the
6 current online handbook, tailoring the handbook's application to certain
7 popular industries, and working with industry to refine and augment
8 employer outreach and training.
