Current Appropriations Clause in Bill

The bill includes an appropriation clause that appropriates \$21,628 General Fund and 0.3 FTE to the Legislative Department.

Points to Consider

General Fund Impact

The Joint Budget Committee has proposed a budget package for FY 2016-17 based on the March 2016 Legislative Council Staff revenue forecast. The budget package allocates \$3.0 million General Fund to be available to fund 2016 legislation that is not accounted for in the budget package. If the full \$3.0 million is not used to fund legislation, it will remain in the General Fund reserve.
