Points to Consider

General Fund Impact

The Joint Budget Committee has proposed a budget package for FY 2016-17 based on the March 2016 Legislative Council Staff revenue forecast. The budget package allocates a total of \$3.2 million General Fund for 2016 legislation that is not accounted for in the budget package, including \$3.0 million to be available for appropriations plus \$0.2 million for the associated 6.5 percent statutory reserve. This bill reduces General Fund revenues by \$28.6 million in FY 2016-17, and would thus: (a) require the full amount allocated for 2016 legislation; and (b) require other General Fund appropriations for existing programs to be reduced by \$24.0 million in order to maintain a 6.5 percent statutory General Fund reserve.
