- ! Establishes either gross negligence or willful and wanton conduct as the minimum basis for liability, depending on whether the subject is an individual volunteer, a nonprofit entity, or a director, officer, or trustee of a nonprofit entity;
- ! Prohibits a grant agreement or procurement contract from requiring a nonprofit entity or volunteer to obtain insurance coverage for liability arising from completed operations; and
- ! Extends qualified immunity to a volunteer who operates a motor vehicle, including an off-highway vehicle or snowmobile, as part of a land stewardship activity.
