HB17-1240

**FINAL
FISCAL NOTE**

FISCAL IMPACT: State Local Statutory Public Entity Conditional No Fiscal Impact

Drafting Number: LLS 17-0241
Prime Sponsor(s): Rep. Wist
Sen. Cooke

Date: September 15, 2017
Bill Status: Signed into Law
Fiscal Analyst: Bill Zepernick (303-866-4777)

BILL TOPIC: RELOCATE TITLE 12 CDPHE

Summary of Legislation

This bill relocates the statutes concerning the Uniform Emergency Volunteer Health Practitioners Act and the Cancer Cure Control Program from Title 12 to Title 25 of the Colorado Revised Statutes and makes minor technical changes.

Background

The Committee on Legal Services is currently supervising the Office of Legislative Legal Services in a two-year project to recodify Title 12 of the C.R.S., as directed by Senate Bill 16-163. In anticipation of this recodification, House Bill 17-1006 was enacted to allow agencies to request the Secretary of State to update statutory citations in the Code of Colorado Regulations without the agency notice, comment, or hearing requirements of the Administrative Procedures Act.

The Uniform Emergency Volunteer Health Practitioners Act, which is overseen by the Colorado Department of Public Health and Environment (CDPHE), allows qualified health practitioners to register with local emergency management authorities and to provide assistance during disaster emergencies. Under the Cancer Cure Control Program, the CDPHE regulates persons making claims about medication and devices that are represented as helping in the treatment or cure of cancer.

Assessment

The bill is assessed as having no fiscal impact. Relocating these sections of statute will not impact the revenue, expenditures, or workload of any state agency.

Effective Date

The bill was signed into law by the Governor on May 25, 2017, and became effective on August 9, 2017.
