Points to Consider

TABOR/ Excess State Revenues Impact

The Joint Budget Committee has proposed a budget package for FY 2017-18 based on the March 2017 Legislative Council Staff revenue forecast. This bill is projected to increase cash fund revenues by \$31,535 for FY 2017-18, which would increase the amount required to be refunded under TABOR based on this revenue forecast. As TABOR refunds are paid from the General Fund, this bill would reduce the amount of General Fund available for other purposes.
