SB17-018

FINAL
FISCAL NOTE

FISCAL IMPACT: State Local Statutory Public Entity Conditional No Fiscal Impact

Drafting Number: LLS 17-0138
Prime Sponsor(s): Sen. Moreno
Rep. Arndt

Date: June 1, 2017
Bill Status: Signed into Law
Fiscal Analyst: Bill Zepernick (303-866-4777)

BILL TOPIC: STATUTORY REVISION COMMITTEE FIXES TO SB16-146

Summary of Legislation

In 2016, the General Assembly passed and the Governor signed Senate Bill 16-146 to modernize Colorado statutes regarding sexually transmitted infections. Among its many provisions, SB16-146 removed language criminalizing HIV infection, updated reporting requirements concerning sexually transmitted infections, and clarified infection control duties and requirements of state and local public health officials. As part of these updates, SB16-146 relocated various sections of statute within Title 25.

This bill, *recommended by the Statutory Revision Committee*, corrects an amending clause in SB16-146 that failed to repeal certain sections of statute into which other sections of statute were relocated. This error resulted in sections of statute appearing twice in the 2016 Colorado Revised Statutes with the same section number, but differing text (i.e., the text relocated by SB 16-146 and the text as it existed in the 2015 statutes). This bill repeals the outdated sections of statute that were intended for repeal in SB16-146.

Assessment

The bill makes technical corrections to statute and is assessed as having no fiscal impact. The fiscal note assumes that state agencies are implementing SB16-146 using the new sections of statute added by SB16-146, rather than relying on sections of 2015 statutes erroneously left in the 2016 statutes. Therefore, it is assumed that the workload and revenue impacts identified in the fiscal note for SB16-146 are taking effect and that no additional fiscal impact will occur.

Effective Date

The bill was signed into law by the Governor on March 1, 2017, and takes effect August 9, 2017, assuming no referendum petition is filed.
