Current Appropriations Clause in Bill

The bill includes an appropriation clause that adjusts cash funds sources for appropriations to the Department of Higher Education for FY 2017-18, with no net change in the total amount of the appropriation. Specifically, the bill: (1) decreases cash funds appropriations to the Department of Higher Education from the Enterprise Services Cash Fund by \$847,000; (2) increases cash funds appropriations to the Department of Higher Education from the Community Museums Cash Fund by the same amount; and (3) specifies that if revenue available in the Community Museums Cash Fund is less than the appropriation from this source, the unused balance of the appropriation may be expended from the Enterprise Services Cash Fund.
