information-sharing system.

The bill requires the executive director of the department of public safety to promulgate rules for the administration of the grant program. At a minimum, the rules must specify the time frames for applying for grants, the form of the grant program application, and the time frames for distributing grant money. In determining whether to award a grant, the division shall consider:

- ! The applicant's capacity to serve law enforcement agencies statewide;
- ! The applicant's ability to operate and maintain a law enforcement information-sharing system; and
- ! The applicant's ability to make necessary investments in a law enforcement information-sharing system.

The bill creates the law enforcement information-sharing grant program fund (fund) and directs the general assembly to appropriate \$1.9 million to the fund from the marijuana tax cash fund for the 2018-19 fiscal year.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 hereby finds and declares that:

4 (a) Colorado's law enforcement, public safety, and criminal justice
5 personnel operate at an information disadvantage that diminishes their
6 safety and increases the likelihood that community members will be
7 engaged improperly;

8 (b) Law enforcement personnel interact daily with a wide variety
9 of people, from law-abiding citizens to frequent offenders, all without
10 reliable information to determine who presents a risk and who does not;

11 (c) Law enforcement's information disadvantage can erode public
12 trust when incomplete information leads to improper policing actions. For
13 example, a lack of information can result in an unnecessarily large
14 volume of contacts during an investigation. Also, a lack of information
15 can lead to misinformation that spawns inaccurate BOLO "Be on the
16 Lookout" notices, formerly known as "All Point Bulletins" or APBs.

1 (d) This information disadvantage presents issues for law
2 enforcement personnel who are entrusted to uphold public safety while
3 protecting the individual liberties of all people; and

4 (e) A major contributing factor to this lack of information is that
5 each agency often has its own independent records-management system.

6 (2) Therefore, the general assembly declares that it is necessary to
7 create a statewide information-sharing system for law enforcement, public
8 safety, and criminal justice agencies.

9 **SECTION 2.** In Colorado Revised Statutes, add 24-33.5-1617 as
10 follows:
