A BILL FOR AN ACT

101 CONCERNING MEASURES TO PREVENT OPIOID MISUSE IN COLORADO, AND, IN CONNECTION THEREWITH, MAKING AN APPROPRIATION.

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at http://leg.colorado.gov.)

Opioid and Other Substance Use Disorders Interim Study Committee. Section 1 of the bill establishes in statute the opioid and other substance use disorders study committee, consisting of 5 senators and 5 representatives from the general assembly, to:

1. Study data and statistics on the scope of the substance use disorder problem in Colorado;
Study current prevention, intervention, harm reduction, treatment, and recovery resources available to Coloradans, as well as public and private insurance coverage and other sources of support for treatment and recovery resources; 

Review the availability of medication-assisted treatment and the ability of pharmacists to prescribe those medications; 

Examine measures that other states and countries use to address substance use disorders; 

Identify the gaps in prevention, intervention, harm reduction, treatment, and recovery resources available to Coloradans and hurdles to accessing those resources; and 

Identify possible legislative options to address gaps and hurdles to accessing prevention, intervention, harm reduction, treatment, and recovery resources.

The committee is authorized to meet 6 times in a calendar year and may report up to 6 legislative measures to the legislative council, which bills are exempt from bill limitations and introduction deadlines. The committee is repealed on July 1, 2020.

**Section 2** specifies school-based health care centers may apply for grants from the school-based health center grant program to expand behavioral health services to include treatment for opioid and other substance use disorders.

**Section 3** directs the department of health care policy and financing, starting July 1, 2018, to award grants to organizations to operate a substance abuse screening, brief intervention, and referral program.

**Section 4** directs the center for research into substance use disorder prevention, treatment, and recovery to develop and implement continuing medical education activities to help prescribers of pain medication to safely and effectively manage patients with chronic pain, and when appropriate, prescribe opioids. Sections 2 through 4 also direct the general assembly to appropriate money to implement those sections.

assembly.

(b) NO LATER THAN DECEMBER 1, 2018, AND NO LATER THAN
each December 1 thereafter, the committee shall make a report
to the legislative council created in section 2-3-301 that may
INCLUDE RECOMMENDATIONS FOR LEGISLATION.

(4) (a) Members of the committee are entitled to receive the usual per diem and necessary travel and subsistence expenses as provided pursuant to section 2-2-307 for members of the general assembly who attend interim committee meetings.

(b) The director of research of the legislative council and the director of the office of legislative legal services shall provide staff assistance to the committee.

10-22.3-102. Repeal of article. This article 22.3 is repealed, effective July 1, 2020.

SECTION 2. In Colorado Revised Statutes, add 10-16-124.8 as follows:

10-16-124.8. Colorado consortium for prescription drug abuse prevention - create process for recovery - report. (1) The governor shall direct the Colorado consortium for prescription drug abuse prevention within the University of Colorado to:

(a) Create a process with the substance abuse recovery community to develop a strategic plan that addresses the full continuum of recovery services, including detoxification services and reintegration into the community with peer support, for individuals who experience substance use disorder;

(b) Develop a definition for recovery residences and issue recommendations regarding whether recovery residences should be licensed; and

(c) Report the recommendations pursuant to this section to the general assembly on or before January 1, 2020.

(2) Money in the general fund may not be used for the
IMPLEMENTATION OF THIS SECTION.

SECTION 3. In Colorado Revised Statutes, 25-20.5-503, amend (2) as follows:

25-20.5-503. School-based health center grant program - creation - funding - grants - repeal. (2) (a) Operators of school-based health centers may apply for grants for the benefit of school-based health centers. The grant program shall provide grants for school-based health centers selected by the division. The division, in consultation with school-based health centers, shall develop criteria under which the grants are distributed and evaluated. In developing the criteria for grants, the division shall give priority to centers that serve a disproportionate number of uninsured children or a low-income population or both and may award grants to establish new school-based health centers; to expand primary health services, behavioral health services, including education, intervention, and prevention services for opioid, alcohol, and marijuana, and other substance use disorders, or oral health services offered by existing school-based health centers; to expand enrollment in the children's basic health plan; or to provide support for ongoing operations of school-based health centers. None of the grants shall be awarded to provide abortion services in violation of section 50 of article V of the state constitution.

(b) (I) On or before July 1, 2018, the General Assembly shall appropriate seven hundred seventy-five thousand dollars to the department from the marijuana tax cash fund created in section 39-28.8-501 for the purposes of expanding behavioral health therapy, intervention, and prevention services for opioid, alcohol, and marijuana, and other substance use disorders.
Pursuant to this subsection (2), the department shall prioritize funding to school-based health centers that serve communities with high risk factors for substance abuse combined with limited access to treatment services according to state needs assessments, Colorado health indicator data, and national best practice trends.

(II) Any unencumbered and unexpended money from an appropriation made pursuant to this subsection (2)(b) remains available for expenditure by the department in the next two fiscal years without further appropriation.

Section 4. In Colorado Revised Statutes, amend 25.5-5-208 as follows:

25.5-5-208. Additional services - training - grants - screening, brief intervention, and referral - repeal. (1) On or before June 30, 2016, the state department shall grant, through a competitive grant program, up to five hundred thousand dollars to one or more organizations to provide evidence-based training and outreach to health professionals statewide related to screening, brief intervention, and referral to treatment for individuals at risk of substance abuse for whom Colorado provides optional services in accordance with section 25.5-5-202 (1)(u). For any fiscal year beginning on or after July 1, 2016, the state department shall award additional grants for this training and outreach, subject to available appropriations. Any moneys appropriated for grants pursuant to this section are not subject to federal financial participation:

(2) (a) On or after July 1, 2018, the state department shall grant, through a competitive grant program, one million five
HUNDRED THOUSAND DOLLARS TO ONE OR MORE ORGANIZATIONS TO OPERATE A SUBSTANCE ABUSE SCREENING, BRIEF INTERVENTION, AND REFERRAL TO TREATMENT PRACTICE. THE GRANT PROGRAM MUST REQUIRE:

(I) Training for health care professionals statewide including providers who serve women of child-bearing age that is evidence-based and that may be attended either in person or online. The training must include training for reimbursement and billing codes in the "COLORADO MEDICAL ASSISTANCE ACT", ARTICLES 4 TO 6 OF THIS TITLE 25.5.

(II) Consultation and technical assistance for health care providers, health care organizations, and stakeholders;

(III) Outreach, communication, and education to providers and patients;

(IV) Coordination with primary care, mental health care, integrated health care, and substance use prevention, treatment, and recovery efforts; and

(V) Campaigning to increase public awareness of the risks related to alcohol, marijuana, tobacco, and drug use and to reduce any stigma associated with treatment.

(b) (I) The state department contractor shall develop a patient education tool for women of childbearing age to learn about the risks of substance-exposed pregnancies, to be deployed for public use in the state.

(II) (A) On or before July 1, 2018, the general assembly shall appropriate one hundred seventy-five thousand dollars to the state department from the marijuana tax cash fund created

(B) THIS SUBSECTION (2)(b)(II) IS REPEALED, EFFECTIVE SEPTEMBER 1, 2019.

SECTION 5. In Colorado Revised Statutes, 27-80-118, add (4) as follows:

27-80-118. Center for research into substance use disorder prevention, treatment, and recovery support strategies - legislative declaration - established - repeal. (4) (a) The center shall develop and implement a series of continuing education activities designed to help a prescriber of pain medication to safely and effectively manage patients with pain and, when appropriate, prescribe opioids or medication assisted treatment. The educational activities must apply to physicians, physician assistants, nurses, and dentists.

(b) The center shall also develop education and training for law enforcement officers and first responders concerning the use of opioid antagonists for opioid overdose and community-based training for persons at risk of opioid overdose.

(c) (I) On or before July 1, 2018, the general assembly shall appropriate seven hundred fifty thousand dollars to the center from the marijuana tax cash fund created in Section 39-28.8-501 for the purposes of this subsection (4).

(II) This subsection (4)(c) is repealed, effective September 1, 2019.

SECTION 6. Appropriation. (1) For the 2018-19 state fiscal year, $675,000 is appropriated to the department of health care policy and
financing. This appropriation is from the marijuana tax cash fund created in section 39-28.8-501 (1), C.R.S. To implement this act, the department may use this appropriation for the screening, brief intervention, and referral to treatment training grant program.

(2) For the 2018-19 state fiscal year, $750,000 is appropriated to the department of higher education for use by the regents of the university of Colorado. This appropriation is from the marijuana tax cash fund created in section 39-28.8-501 (1), C.R.S. To implement this act, the regents may use this appropriation for the center for research into substance use disorder prevention, treatment, and recovery support strategies.

(3) For the 2018-19 state fiscal year, $1,500,000 is appropriated to the youth opioid and substance use prevention fund created in section 26-6.8-107 (4)(a), C.R.S. This appropriation is from the marijuana tax cash fund created in section 39-28.8-501 (1), C.R.S. The department of human services is responsible for the accounting related to this appropriation.

(4) For the 2018-19 state fiscal year, $500,000 is appropriated to the department of human services for use by the division of child welfare. This appropriation is from reappropriated funds in the youth opioid and substance use prevention fund under subsection (3) of this section. To implement this act, the division may use the appropriation for the Charlie Hughes and Nathan Gauna opioid prevention program to improve young lives in the Tony Grampsas youth services program.

(5) For the 2018-19 state fiscal year, $90,928 is appropriated to the department of human services for use by the division of child welfare. This appropriation is from the marijuana tax cash fund created in section
39-28.8-501 (1), C.R.S., and is based on the assumption that the division will require an additional 0.5 FTE. To implement this act, the division may use this appropriation for administration and evaluation of the Charlie Hughes and Nathan Gauna opioid prevention program to improve young lives in the Tony Grampsas youth services program.

(6) For the 2018-19 state fiscal year, $39,249 is appropriated to the legislative department. This appropriation is from the general fund. To implement this act, the department may use this appropriation as follows:

(a) $18,414 for use by the legislative council, which amount is based on an assumption that the council will require an additional 0.3 FTE;

(b) $7,725 for use by the committee on legal services, which amount is based on an assumption that the committee will require an additional 0.1 FTE; and

(c) $13,110 for use by the general assembly for member reimbursement and per diem.

(7) For the 2018-19 state fiscal year, $775,000 is appropriated to the department of public health and environment for use by the prevention services division. This appropriation is from the marijuana tax cash fund created in section 39-28.8-501 (1), C.R.S. To implement this act, the division may use this appropriation for school-based health centers.

SECTION 7. Safety clause. The general assembly hereby finds, determines, and declares that this act is necessary for the immediate preservation of the public peace, health, and safety.
