- ! A peace officer acting under color of his or her official authority;
- ! A firefighter acting under color of his or her official authority;
- ! An emergency medical service provider or rescue specialist acting under color of his or her official authority; or
- ! The administration of emergency care or emergency assistance by a volunteer, acting in good faith to render such care or assistance without compensation at the place of an emergency or accident.

Obstructing a peace officer, firefighter, emergency medical service provider, rescue specialist, or volunteer with an unmanned aircraft system is a class 2 misdemeanor.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 finds that, as the use of unmanned aircraft systems expands in Colorado,
4 the possibility exists that operators of such systems may interfere with
5 public safety operations and that such interference could create public
6 safety concerns.

7 (2) Now, therefore, it is the intent of the general assembly that:

8 (a) Efforts should be undertaken to increase public awareness of
9 the possible hazards of unmanned aircraft systems and to provide
10 necessary tools to eliminate, to the extent possible, interference with
11 public safety activities by operators of unmanned aircraft systems; and

12 (b) When a public safety agency enters a scenario in which
13 interference by unmanned aircraft systems would likely put public safety
14 at risk:

15 (I) The agency should make its presence known; and

16 (II) Operators of unmanned aircraft systems should follow
17 applicable laws and regulations and comply with any instructions issued
18 by public safety entities on the scene.
