**Fiscal Impact of Bill as Amended to Date**

The most recent Legislative Council Staff Revised Fiscal Note (attached) reflects the fiscal impact of the bill as of 04/20/18.

	<b>No Change:</b> Attached LCS Fiscal Note accurately reflects the fiscal impact of the bill
<b>XXX</b>	<b>Update:</b> Fiscal impact has changed due to <i>new information or technical issues</i>
	<b>Update:</b> Fiscal impact has changed due to <i>amendment adopted</i> after LCS Fiscal Note was prepared
	<b>Non-Concurrence:</b> JBC Staff and Legislative Council Staff disagree about the fiscal impact of the bill

The state expenditures identified in Table 1 of the attached Fiscal Note relate to expenditures that will be incurred by the Department of Local Affairs conditional on the receipt of gifts, grants, or donations to operate the Colorado Resiliency Office. The Fiscal Note categorizes these expenditures as General Fund because the bill does not create a new cash fund for this purpose. However, staff at the State Controller's Office have confirmed that any expenditure of gifts, grants, or donations would be recorded as cash fund expenditures, regardless of whether a new cash fund is created for the Office. Legislative Council Staff agrees with this update.

**Amendments in This Packet for Consideration by Appropriations Committee**

<b>Amendment</b>	<b>Description</b>
None.	

**Current Appropriations Clause in Bill**

The bill neither requires nor contains an appropriation clause for FY 2018-19. The bill, as amended by the House Local Government Committee report, makes the duties, powers, and obligations of the Colorado Resiliency Office subject to available grant funding or withing existing resources. The bill also authorizes the Department of Local Affairs to seek, accept, and expend gifts, grants, or donations received for the Office. Thus, no appropriation is necessary.

**Points to Consider**

None.
