Current Appropriations Clause in Bill

The bill includes an appropriation clause that provides a total of \$12,185,446 General Fund to the Department of Health Care Policy and Financing for FY 2018-19. This provision also states that the appropriation is based on the assumption that the Department will require an additional 2.7 FTE and the Department will receive \$12,400,935 federal funds to implement the act.

Points to Consider

General Fund Impact

The Joint Budget Committee (JBC) has proposed a budget package for FY 2018-19 based on the March 2018 Office of State Planning and Budgeting revenue forecast. The JBC has included as part of its FY 2018-19 budget package a \$12,185,446 General Fund appropriation for FY 2018-19 for implementation of this bill.
