A BILL FOR AN ACT

101 **CONCERNING THE ROUTING OF HAZARDOUS MATERIALS BEING**
102 **TRANSPORTED ON THE ROADWAYS OF THE STATE.**

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov>.)

The bill authorizes a public highway authority or a governmental partner in a public-private partnership to apply to the Colorado state patrol (CSP) for a new or modified hazardous materials route designation for a road or highway that it directly or indirectly maintains. The bill also requires the department of transportation (CDOT) to conduct a study to assess the feasibility of allowing the transportation of hazardous materials
