The bill enacts and enters into with all other states joining therein the agreement among the states to elect the president of the United States by national popular vote (agreement). Among other provisions, the agreement:

Columbia to become members of the agreement by enacting the agreement;

! Requires each member state to conduct a statewide popular election for president and vice president of the United States;

! Prior to the time set for the meeting and voting of presidential electors, requires the chief election official of each member state to determine the number of votes cast for each presidential slate in a statewide popular election and to designate the presidential slate with the largest national popular vote total as the national popular vote winner;

! Requires the presidential elector certifying official of each member state to certify the appointment in that official's own state of the elector slate nominated in that state in association with the national popular vote winner. At least 6 days before the day fixed by law for the meeting and voting by the presidential electors, requires each member state to make a final determination of the number of popular votes cast in the state for each presidential slate and to communicate an official statement of the determination within 24 hours to the chief election official of each other member state. Requires the chief election official of each member state to treat as conclusive an official statement containing the number of popular votes in a state for each presidential slate made by the day established by federal law for making a state's final determination conclusive as to the counting of electoral votes by congress.

the presidential electors, the chief election official of each
MEMBER STATE SHALL DETERMINE THE NUMBER OF VOTES FOR EACH
PRESIDENTIAL SLATE IN EACH STATE OF THE UNITED STATES AND IN THE

POPULAR ELECTION AND SHALL ADD SUCH VOTES TOGETHER TO PRODUCE

The chief election official of each member state shall immediately release to the public all vote counts or statements of votes as they are determined or obtained.

This article shall govern the appointment of presidential electors in each member state in any year in which this agreement is, on July 20, in effect in states cumulatively possessing a majority of the electoral votes.

**Article IV -- Other Provisions**

President or Vice President shall have been qualified to serve the next term.

The chief executive of each member state shall promptly notify the chief executive of all other states of when this agreement has been enacted and has taken effect in that official's state, when the state has withdrawn from this agreement, and when this agreement takes effect generally.
