HOUSE BILL 19-1132

A BILL FOR AN ACT

CONCERNING COLORADO FOOD PRODUCTS IN SCHOOLS, AND, IN CONNECTION THEREWITH, MAKING AN APPROPRIATION.

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at http://leg.colorado.gov.)

The bill establishes a grant program in the department of education (CDE) to encourage providers that are entitled to federal money for lunches for students (eligible providers) to purchase food products from Colorado growers, producers, and processors (Colorado food). Three separate incentives under the grant program reimburse eligible providers for the amount of Colorado food that the provider purchased in the
previous school year or award the eligible provider an amount based on
the percentage of Colorado food that the provider purchased in the
previous year.

The bill establishes a separate program in CDE to make a grant to
a nonprofit organization to make grants to entities that aggregate
Colorado food to enhance the sale of Colorado food to schools and to
eligible providers to encourage the purchase of Colorado food. The
nonprofit organization is required to conduct an annual evaluation and
report to CDE.

Be it enacted by the General Assembly of the State of Colorado:
