Bill Topic: REMOVE REDUNDANT LANGUAGE IN EDUCATOR LICENSING

Summary of Fiscal Impact: **No fiscal impact.** The bill removes redundant references to an exception in the continuous experience requirement for out-of-state teacher and special services license applicants that was added during the 2018 legislative session.

Appropriation Summary: No appropriation is required.

Fiscal Note Status: This fiscal note reflects the enacted bill. The bill is recommended by the Statutory Revision Committee.

Summary of Legislation

House Bill 18-1095 exempted military spouses from the requirement that educators licensed in another state have three consecutive and continuous years experience in order to apply for a professional teacher license or professional special services license in Colorado. House Bill 18-1130 applied the same standard to all out-of-state applicants.

This bill removes the redundant reference to military spouses in the professional teacher license statute and the professional special services license statute.

Assessment of No Fiscal Impact

The bill is not anticipated to change the number of professional licenses issued by the CDE, or increase the revenue, expenditure or workload of any state agency or local government. For these reasons, the bill is assessed as having no fiscal impact.

Effective Date

The bill was signed into law by the Governor and took effect on March 11, 2019.
