**L.003** Bill Sponsor amendment **L.003** (attached) clarifies that the schools affected by the bill (early colleges that were designated as of June 6, 2018) cannot count students for enrollment purposes for more than two years after the completion of four years of high school. **Points to Consider**

Although this bill would not require a General Fund appropriation for FY 2019-20, it is projected to require General Fund appropriations of \$2.3 million per year for FY 2020-21 through FY 2022-23.
