HB 19-1320

**FINAL
FISCAL NOTE**

Drafting Number:	LLS 19-0613	Date:	August 1, 2019
Prime Sponsors:	Rep. Kennedy; Lontine Sen. Winter	Bill Status:	Signed into Law
		Fiscal Analyst:	Erin Reynolds 303-866-4146 Erin.Reynolds@state.co.us

Bill Topic: HOSPITAL COMMUNITY BENEFIT ACCOUNTABILITY

Summary of Fiscal Impact:

<input type="checkbox"/> State Revenue	<input type="checkbox"/> TABOR Refund
<input checked="" type="checkbox"/> State Expenditure (<i>minimal</i>)	<input type="checkbox"/> Local Government
<input type="checkbox"/> State Transfer	<input type="checkbox"/> Statutory Public Entity

This bill requires nonprofit hospitals to address and report on their community benefit activities. Beginning in FY 2019-20, the bill increases state workload on an ongoing basis.

Appropriation Summary: No appropriation is required.

Fiscal Note Status: The fiscal note reflects the enacted bill.

Summary of Legislation

This bill requires certain hospitals to perform a community health needs assessment and create a community benefit implementation plan. Qualifying hospitals are required to submit community benefit activities reports to the Department of Health Care Policy and Financing (HCPF) each year. HCPF is required to establish a reporting process through rulemaking and post reports online.

Qualifying hospitals are required to convene a public meeting to seek feedback regarding the hospital's community benefit activities during the previous year and the hospital's community benefit implementation plan for the following year. The bill outlines the entities and state agencies that hospitals are required to invite to the public meeting as well as advertising requirements. Hospitals may convene joint public meetings with one or more hospitals that share some or all of the hospital's community.

State Expenditures

Beginning in FY 2019-20, the bill will increase workload for HCPF and will minimally increase workload for departments that participate in community benefit meetings.

Department of Health Care Policy and Financing. HCPF will perform the rulemaking required under the bill as part of its regular rulemaking process. While the bill requires HCPF to develop and provide a website where each reporting hospital will submit reports; it is assumed that HCPF will accept and post reporting through its existing website and that no analysis of reports is required by HCPF. As a result, no change in appropriations is required.

Other state agencies. State agencies that may have increased workloads to participate in community meetings include HCPF, the Department of Public Health and Environment, the Department of Human Services, the Colorado Commission on Higher Education, and the Office of Saving People Money on Health Care in the Lieutenant Governor's Office.

Effective Date

The bill was signed into law by the Governor on May 16, 2019, and takes effect August 2, 2019, assuming no referendum petition is filed.
