<b>Bill Topic:</b>	STATE PROCUREMENT DISPARITY STUDY
--------------------	-----------------------------------

<b>Summary of Fiscal Impact:</b>	<input type="checkbox"/> State Revenue <input checked="" type="checkbox"/> State Expenditure <input type="checkbox"/> State Transfer	<input type="checkbox"/> TABOR Refund <input type="checkbox"/> Local Government <input type="checkbox"/> Statutory Public Entity
--------------------------------------	--	--

This bill requires the Department of Personnel and Administration to commission an independent disparity study of the state procurement process involving certain historically underutilized businesses. The study report will include recommendations to address any disparities that are found. This bill will increase state expenditures in FY 2019-20 and FY 2020-21.

<b>Appropriation Summary:</b>	For FY 2019-20, this bill requires an appropriation of \$650,000 to the Department of Personnel and Administration.
-----------------------------------	---

<b>Fiscal Note Status:</b>	The revised fiscal note reflects the reengrossed bill.

## **Summary of Legislation**

This bill requires the Department of Personnel and Administration (DPA) to commission an independent study of the state procurement process to determine whether disparities exist between the participation of historically underutilized businesses and other businesses. The study must be completed by December 1, 2020, and the DPA must include the findings of the study and any additional recommendations in the department's State Measurement for Accountable, Responsive, and Transparent (SMART) Government Act hearing. The bill allows the DPA to spend an appropriation into the next fiscal year.

## **Background**

Historically underutilized businesses are those that are majority owned by one or more individuals that are women; racial or ethnic minorities; members of the lesbian, gay, bisexual, transgender community; or disabled.

## **State Expenditures**

This bill increases state General Fund expenditures by \$650,000 in FY 2019-20 and \$650,000 in FY 2020-21. This expenditure impact is shown in Table 2 and discussed below.

**Table 2**  
**Expenditures Under SB 19-135**

	<b>FY 2019-20</b>	<b>FY 2020-21</b>
<b>Department of Personnel and Administration</b>		
Vendor Contract Costs	\$650,000	\$650,000
<b>Total Cost</b>	<b>\$650,000</b>	<b>\$650,000</b>

**Department of Personnel and Administration.** The DPA will incur a cost of \$1.3 million to commission the disparity study required under the bill. The fiscal note assumes that the study will be paid for over two fiscal years and that DPA will contract for the study.

**Other state agencies.** Executive branch departments and participating state institutions of higher education will be required to provide information during the study process. This increase in workload is achievable within existing appropriations.

## **Departmental Difference**

The DPA estimates that the cost of the disparity study will range from \$1.3 million to \$5.5 million, with costs assumed at the upper range. This estimate is based on the department's initial information requests from vendors. The fiscal note estimates the cost at \$1.3 million, which is consistent with costs for studies similar to this scope.

**Effective Date**

The bill takes effect July 1, 2019.

**State Appropriations**

For FY 2019-20, this bill requires a General Fund appropriation of \$650,000 to the Department of Personnel and Administration.
